

THE EVENING TIMES, ST. JOHN, N. B., WEDNESDAY, APRIL 12, 1905

ALL THE NEWS OF THE SEASON'S SPORTS.

THE WEST END
B. B. LEAGUE.

Organization Was Completed at Last Night's Meeting.

The League Will Consist of Four Teams—With the Big American Teams --- Ball Notes.

At a meeting of the west end Baseball League last evening, it was decided that the league would consist of four teams, namely, the Martellos, Victorias, St. Rosa, and Jubilees. It was thought that as the Jubilees had decided to play in the intermediate league, they would drop out of the west end league, but they have decided to play in both organizations. It was agreed that each team should be composed of fourteen men so that a nine would always be available. The Market Place, west end, will be the scene of the play as it is about the only suitable place that can be had. The league season will open about May 15, and the schedule has been left in the hands of the Jubilees to arrange, as it will be necessary to so figure it that they will be able to fill their dates in the city intermediate league. The Carleton league teams and players will be: St. Rosa Club, Fairville-Downing (Captain), John Toole, John Dawson, Fitzgerald, John McKinnon, A. McKinnon, Quigg, R. Toole, James Dawson, Reed, Robt. Keenan, Hodd, James Keenan. Victorias of South End—O'Regan (Captain), Dunham, John McElmott, Wm. Dunham, Louis McElmott, Copeland, Stone, Hall, Griffiths, Miller, Butler, Creagan, Littlejohn. Martellos, of Carleton—Thos. Seeley (Captain), Joseph Murphy, Adams, Shea, Burpee, Fred Seeley, Connor, Fred Long, Purdy, Lord, Harry Seeley, Allingham, O'Leary, Joyce. Jubilees of North End—Ramsey (Captain), Joe, Murphy, Stubbs, Francis, Wolfe, Carson, Hodd, Hamilton, Bent, Nelson, Brittain, Totten, Wm. Ramsey. There will be another meeting next Tuesday.

With the Big 'Uns.

Baltimore, April 11.—A thunder storm made it a six inning game today between the Boston National League team and that of the Baltimore Eastern League, the former winning by a score of seven to one. Addin's ineffectiveness and Pease's error gave the Bostonians their run.

while the Baltimore batters could do nothing with Young. Score:

R.H.E.
Baltimore... 0 0 0 1 0-7 2
Boston... 0 1 8 9 0-7 10 1
Batteries—Baltimore: Adkins and Burchell; Boston: Young and Needham. Umpire, Reany.
New York, April 11.—The New York (American League)-Columbia University and the New York (National League)-Newark (Eastern League) base ball games which were to have been played here today were postponed on account of rain.

American League Tit Bits.

McGovern and Doran, the young catchers of the Boston champions will do the bulk of the backstopping during the early games. Criger and Farwell require a great deal of warm weather to get into condition.

The New York Americans, who are the diamond now, catching with the New York Yankees, think the Highlanders are sure of the pennant this year.

Cy Young, in speaking of the first major league game he ever pitched, said recently: "It is only a little over fourteen years ago, but only three of the eighteen men who took part in the game are now in harness in the big leagues. They are Kittredge, George Davis and myself."

Jack Chesbro while using his "split ball" at Harvard, broke one catcher's finger and another catcher's wrist.

Cy Young is rapidly passing into oblivion. He hasn't invented a new delivery or written any pitching instructions.

George Mullin, has invented a new curve. "My latest," says the big twirler, "is called the 'Oiler ball,' and is so called because no batter over twenty-five years of age can hit it." That settles it. Very few players will admit being more than twenty-four.

Napoleon Lajoie is a modest man and does not seek notoriety. Larry says "I wish I had the nerve to go out on the stage before people. If I did could be earning a little over \$500 a week during the winter months. I had several offers, but I would rather ride the goat at the Elks' race one of those pitching machines that throws balls at you at the rate of ten miles a minute, than make a spool on a theatrical stage."

BOWLING

The following teams will compete in the five-pin tournament on the Ritchey alleys at 8 o'clock tonight: Captain King, H. O'Brien, C. Cowan, H. C. Olive, Harding. Captain Nichols, F. Appleby, H. Sullivan, J. Daley, T. McKean.

HORSE RACES
AT HALIFAX.

Six Days of Speed Competitions at the Exhibition.

Nova Scotia Government Buys a World's Fair Winner—Notes of the Track and Turf.

Halifax, April 12.—The programme for the races during the Exhibition, September 14 to 21, has been completed, and Alex. J. A. Johnson, the speed superintendent, has again arranged for six days' racing, which ensures a great many equal, if not surpassing those of recent years.

There will be six days' racing, two races each day, each for a purse of \$400, a total of \$4,800. Six of the purses have been guaranteed by the Halifax Hotel, King Edward Hotel, Royal Hotel, Merchants and Manufacturers, Halifax Breweries and the Halifax Tramway.

There is only one change in this programme from last year, the 2.15 class being substituted for the free-for-all. This promises to be a popular class, as it will give an opportunity to horses which are now not eligible for the 2.15 class and those which may get faster records early in the season.

The programme of races will be as follows:

Thursday, Sept. 14.
Halifax Hotel purse—2.15 trot, \$400.
Three minute trot, \$400.

Friday, Sept. 15.
Royal Hotel purse—2.22 trot, \$400.
2.30 trot and pace, \$400.

Saturday, Sept. 16.
The Tramway purse—2.25 trot, \$400.
2.40 trot and pace, \$400.

King Edward Hotel purse—2.19 trot and pace, \$400.
2.40 trot, \$400.

Tuesday, Sept. 19.
The Merchants' and Manufacturers' purse—2.30 trot, \$400.
2.35 trot and pace, \$400.

Wednesday, Sept. 20.
Halifax Breweries, Ltd., purse—Free-for-all trot and pace, \$400.
(The winner of this purse will appear on their calendar for 1906.)
2.19 trot, \$400.

If the races are not postponed on account of weather the management may arrange for special races for Thursday, 21st, confined to horses which have competed in the races.

N. S. Gov't Buys Hackney.

The Nova Scotia Government in their efforts to improve the breed of horses in the Province, have purchased another valuable hackney at the great dispersal sale of hackneys at Robert, Bell's, at Bowmanville, Ontario, which was attended by buyers from all over Canada and different States. The Bowmanville Statesman says—

"Prof. M. Cummings, who has acted as expert judge on stock for two years with such excellent satisfaction to all concerned, at our District Exhibition, attended Robert Bell's great sale of hackney horses and secured for the N. S. Government's Experimental Farm, at Truro, N. S., the splendid young 9-year-old hackney stallion, Cliffe Ross, imported last year by Mr. Bell, to complete his World's Fair contingent, and he won at St. Louis, Chicago and Toronto. He is a great favorite with local horsemen, being a good, upstanding horse, with lots of substance and fine quality. He is turning out to be a mover of the most sensational character, and gives promise, so his importer says, of becoming one of America's best show horses. While he was knocked down to Prof. Cummings for only \$1000, Bell, considering his own early worth double that figure. We consider this horse one of the 'biggest bargains' of this sale."

ATHLETIC

The Marathon Race.

St. Louis, April 12.—The Marathon race, which will be held May 6 under the M. A. C. auspices will have a large number of entries, most of the men being residents of the western association. Corey, of the Chicago A. A., who won second place in the Olympic Marathon, will be a competitor in the local race. Members of the C. A. A. who attended the dual swimming meet, report that Corey is training faithfully for the race, and expects to win.

Among the local entries, most interest centers in Felix Carvash, an eccentric little Cuban who won fourth place in the Olympic Marathon. Felix has been training two or three times every week for several months under the tutelage of Athletic Director Bassett of the M. A. C., and has abandoned some of the mistaken methods which prevented a victory for him in the race last year. He has developed a stride and now runs on the ball instead of the heel of his foot. He also uses his shoulders and arms and is setting much better into his stride. He is running much better than ever before, and seems to have no lack of endurance.

Louis D. Lambrakis, a young Greek who claims to be a native of Sparta, is another local entry who is expected to do well in the race. Lambrakis says that he has run races from twelve to eighteen miles in his native land, and figures that he could win a place in the M. A. C. race.

Don Weir, another M. A. C. man, is also in good condition. Although Weir has dropped much of his long-distance training, in order to get in shape for the mile run, he is in the best physical condition and will have little difficulty in resuming his distance work.

Wonders of Niagara.

On of the prettiest sights at Niagara is to see the rainbows in the spray, reminding pipe-smokers of the pleasure they derive from Rainbow Cut Plug Smoking Tobacco.

"Rob Roy" Fails.

B. H. Benton, known in the sporting world as "Rob Roy," publisher of Rob Roy's Weekly, has filed a petition in bankruptcy. His liabilities are abouted at \$15,705 and he states that he has no assets.

BRITT-WHITE
GO MAY BE OFF.

A Possibility That Fight May Not Come Off This Month.

Police Interfere in a Bout at Indianapolis --- Philadelphia Jack O'Brien Gets Decision Over Jackson.

San Francisco, April 12.—There is a possibility of the Britt-White fight not coming off this month. The permit for the fight has not yet been procured by Manager Croft. That being the case, the bout for International honors may have to be pulled off in Coma.

Another thing that may tend to cause the Britt-White matter to be either put off for the time being or taken to Coma, is that Morris Levi, the matchmaker of the rival Hayes Valley Athletic Club, has signed Betting Nelson and Joe Ganz, and is trying to get a permit for the fight to be brought about this month.

O'Brien vs. Jackson.

Baltimore, April 12.—When at the conclusion of the scheduled ten round bout, Referee Charlie White Friday night gave the decision to Philadelphia Jack O'Brien over Young Peter Jackson, the moderate crowd present gave unmistakable evidence of concurrence in the verdict.

The agreement to break clean when ordered was not lived up to by each man. Both began to cause only as to cause cries of fake, but after the first round the fight was hot, with nearly every round in the ninth but was unable to land a knockout blow.

To Play Tonight.

Indianapolis, April 11.—After one minute of fighting in the third round, police officers last night stopped a ten-round bout between Hugo Kelly, of Chicago, and Tom Wallace, of Philadelphia, and the decision was awarded to Kelly. Wallace was felled twice in the third round.

THE MAT

Hockenschmidt Makes Money.

Hockenschmidt, the Russian wrestler, serves a princely salary at the business of taking falls out of people. Says the Russian Lion: "If I wanted to take I could be a millionaire today. I was offered \$100,000 to lay down to Madrali, the Turk, and \$20,000 to lose to Jenkins in our last match. I am worth \$125,000, all of which I earned in my business, but I would rather lose my right arm than participate in a fake."

Coupons Worth Saving.

The coupons in packages of Rainbow Cut Plug Smoking Tobacco are worth saving, for they can be redeemed in valuable presents.

NOTES OF SPORT

It is said that the Ontario Jockey, Otto Wonderley, who recently died in Toronto, left an estate valued in a bank account and in Canadian property at more than \$60,000.

A despatch from Jack "Twins" Sullivan states that he has left Tacoma for Dawson City, where he is matched to meet Nick Hurley, the Klondike giant. "Twins" made a good impression in Tacoma and will try to make a hit with the miners.

Sydney, April 10.—E. Leroy Willis, proprietor of the Sydney hotel, has about completed the purchase of the Sydney Trotting Park, which he will manage during the coming summer.

Sydney Record—in view of the early to be held next summer, when the women will have a day to themselves on which to hold a tournament, it has been decided by the executive of the volunteer department that a racing hose reel would be about the best thing to purchase for them with the hundred dollars or so recently donated by a number of citizens. Besides being a necessity if a tournament is to be held in connection with the carnival this summer the reel can also be made to do duty for years to come in any local tournaments that may be held. Every fire department east of Bangor, Maine, will be invited to take part in the tournament.

Waddell, the eccentric twirler, has been doing a new stunt. His latest was to engage himself as a trumpet blower on a tally-ho. We'll hear of something else in a very short time.

Goal nets may be used generally by the Manitoba Association Football League during the coming season. At the coming annual meeting of the league, the United Football Club will support a suggestion to have them generally adopted—Winnipeg Tribune.

"Rat out everything," says Lajoie. A better order could not be issued. There is no excuse for a runner losing his way to first. If a player wishes to be popular with the fans he must run to first at top speed. There is nothing that more angers a "fan" as to see a man thrown away by the laziness of a man in running to base. A baseball game is never won till it is lost.

The most successful remedy for this purpose is Doan's Kidney Pills. Read what Miss Agnes Creelman, Upper Smithville, N. S., says of them: "I caught a cold, which settled in my kidneys, and turned to dropsy. My face, limbs and feet became bloated, and if I pressed my finger on them it would make a white impression that would last fully a minute before the flesh regained its natural color. I was advised to try Doan's Kidney Pills, and found by their use that I was cured in a very short time. I have never had any trouble with it since."

Price 50 cents per box, or 3 for \$1.25.
