DR. JOHN DAVIDSON DEAD IN SCOTLAND

former Professor of the U. N. B! Succumbs to a Pulmonary Af-

The sad news of the death of Dr. Joh Davidson, lately professor of philosoph and political economy in the Universit of New Brunswick, has reached her through the Scottish papers of July 3 Death resulted from pulmonary troubly which necessitated leave of absent

ate, but being uncertain of recovery, he resigned.

The Edinburgh papers publish lengthy and eulogistic notices of Professor Davidson, and speak in highest terms of his attainments as an economist. His untimely death cut short an exceptionally promising career. Articles by Dr. Davidson relating to subjects on which he was a specialized student appeared steadily in British and American journals during his seclusion from the duties of his chair, and he did considerable work for the Nelson-Harmsworth Encyclopoedia, and contributed valuable articles to the Week's Survey.

His premature death will be keenly felt in educational circles both in New Brunswick and on the other side of the Atlantic.

A CROOK'S CONFESSION

Cleveland.

DETROIT, Mich, Aug. 11—Harry Johnson who said his home is at Sherman, Texas, early today made a confession to Chief of Detectives McDonnell in which he said that Harry Parker, who was arrested with Johnson last week in Cleveland, murdered Pawnbroker Joseph Moyer in his Monitoe, Ave., pawnshop July 28 while Johnson rifled the display windows of diamonds and jewelry.

Parker's name, Johnson said, was assumed, but his own name was correct as registered by the police.

After Johnson's confession he was confronted with Parker. The latter, who has been the more stolid, since the arrest of the pair in Cleveland, is said by the police to be on the verge of a collapse. Parker it was stated, admitted that the case against them was too strong to be successfully fought but said he would not talk further at present.

Crawford, of Harvard; and Louis Faulkins, that the outing was planned. The dail was a most delightful one. A number of ladies of Chapel Grove received the visitors on the beach in front of the summer residence of George R.
