PLEASANT REUNION OF OLD AND NEW KNIGHTS

The members of the visiting degree team of the Knights of Columbus, the newly elected Sir Knights and the old members met in a reunion and smoker in the local rooms last evening. Following a few introductory remarks by Dr. W. P. Broderick, grand knight, District Deputy Mead of Massachusetts gave a very interesting and eloquent heart to heart talk to those assembled. He referred to the great work of the Knights of Columbus and said that about Boston, within a radius of twenty-five miles there were fifty-five council chambers. District Deputy Mead touched on the work accomplished by the knights in Canada.

He congratulated the newly elected Sir Knights and gave them some good advice. His talk was interesting, instructive and greatly enjoyed and appreciated. He also referred in glowing terms to the hospitality of the St. John knights.

Dr. Ahern also made an address to the members, as did the other members of the visiting team. They were unanimous in praise of the good reception given them here.

Past Grand Knights W. J. Mahoney, Dr. S. H. McDonald, Chas. A. Owens, District Deputy M. T. Coburn and Messrs. Green and O'Neill, with some of the newly initiated members, made brief addresses. After refreshments, were served the meeting adjourned with the singing of God Save the King and the Star Spangled Banner.

A hearty vote, thanks was tendered the visiting team in appreciation of their services, on motion of L. A. Conlon, seconded by Maurice Delaney.

LOSS OF APPETITE

Most Successfully Treated by Taking **Hood's Sarsaparilla**

Loss of appetite is accompanied by loss of vitality, which is serious. It is common in the spring because at this time the blood is impure and impoverished and fails to give the digestive organs what is absolutely necessary for the proper performance of their functions. Hood's Sarsaparilla, the old reliable all-the-year-round medicine, is especially useful in the spring. Get it from your druggist today. By purifying and enriching the blood and giving vitality, vigor and tone, it is wonderfully successful in the treatment of loss of appetite and the other ailments prevalent at this time. It is not simply a spring medicine—it is much more than that—but it is the best spring medicine.

Hood's Sarsaparilla makes the rich red blood the digestive organs need.

Spring Skin Troubles

Every spring, for years, Mr. Amos Smith, of Port Hood, C.B., suffered from boils, until he used Zam-Buk. He writes:

"Each spring they would return and break out on my hands and arms. At times they were so bad that I could scarcely work. I tried various remedies without receiving any benefit. I consulted a doctor, but he was unable to cure me. Then a friend recommended Zam-Buk. The improvement after using the first box was surprising. I continued until the boils had entirely disappeared, and I have never had any return since."

Zam-Buk is also unequalled for eczema, ulcers, abscesses, scalp sores, ringworm, blood-poisoning, piles, cuts, burns, scalds, etc. All druggists, or Zam-Buk Co., Toronto; 50c. box, 3 for \$1.25.
