Was In Agony With Blisters On Hands Cuticura Healed "Eczema broke out in very small

blisters on the backs of my fingers After a few days the blisters would

break and then dry up. It itched and burned terribly and scratching caused very red eruptions. I could not put my hands in water or do any work without wearing rubbe gloves. I could not sleep nights or agony most of the time. The trouble lasted about a year. "I read an advertisement for purchased some. After using ther ment. I continued the treatment and now I am healed." (Signed)
