COMPETES FOR THREE TIMES IN LESS THAN WEEK

Team in Good Shape for MacTier Cup Game Today With McGill

THE University of New Brunswick English rugby team is making football history at the present time as it will play for three championships within the short space of six days. On Saturday last U. N. B. met the Wanderers of Halifax for the unofficial Maritime Provinces championship, today they will play the McGill University squad for the MacTier cup and on Friday of this week will meet the Nova Scotia Technical College at Sackville for the Intercollegiate championship. It is doubtful if any team in the history of the sport ever played for so many titles within so short a space of time.

## FRIDAY'S GAME

FREDERICTON, N. B., Nov. 15.—This football season is just one game after another for the University of New Brunswick's team whose schedule calls for them to play today their fourth important game in 12 days. Their next game is the MacTier Cup final in which they meet McGill University's English rugby 15 who won the Quebec section and then took their semi-finals on a forfeit when Toronto British, champions of the Ontario section, failed to play.

The deed of gift of the MacTier Cup made the trophy indicative of the English rugby championship of Eastern Canada, but today's winners cannot lay claim to that title for since winning the Quebec section, the McGill team were unable to overthrow Toronto Yards' English rugby team and U. N. B., defenders of the trophy have just lost an exhibition series with Halifax Wanderers and have not yet played the intercollegiate championship of the Maritime Provinces final.

For today's game U. N. B. will probably have the same line-up that played Halifax Wanderers on Saturday. All the U. N. B. players came through Saturday's game in fairly good shape, except Earl Hickson, who was injured by one player and slipped behind the ear by another simultaneously and required medical attention before he could continue play. He played more or less groggy for the rest of the game and had to be driven to his home after play was over, when he was again under a doctor's care. However, it is likely that he will be back at play by this afternoon. There is also a possibility that McCaffrey will be back at his old position on the line, but by U. N. B. on Saturday; McCaffrey should play, Dodge may replace Holmes at full back.

The next game for the U. N. B. team following the MacTier Cup will be the play-off for the Maritime intercollegiate league championship in which U. N. B. are champions of the Maritime section, the Nova Scotia Tech, winners of the Eastern section. For this game the U. N. B. team have to travel here on Thursday morning for Sackville, where the game is to be played on Friday. This will make a total of five games in 15 days for the U. N. B. team, a strenuous bill of fare.

# Five Boxing Championships Have Changed Hands So Far This Year

SUGGS AND FINNEGAN ALL SET FOR CLASH

Meet Tonight at Boston For Feather Crown—Both Are in Good Shape

BOSTON, Mass., Nov. 15.—Chick Suggs, slashing negro featherweight from New Bedford and New England, champion of his class, and Dick "Honeybush" Finnegan, of Dorchester, were ready and fit today for tonight's battle for the 126 pound title in the Boston arena.

Not in years have New England fight fans been stirred to such interest as has been created over the 10-round bout for the crown laid down several months ago by Louis "Kid" Kaplan. Both boys were strong when they wound up their training week within the required weight limit and vital managers predicted decisive wins for their respective charges.

Suggs and Finnegan differ widely in style, but both have been victorious over some of the best men in their class. Suggs recently defeated Red Chapman for the New England title, while Finnegan has disposed of both Chapman and Babe Hermann, one of the topnotchers in the featherweight ranks.

Suggs has earned a reputation as a boxer of skill while Finnegan, a left hander, is best known for his rugged style of fighting. Both, however, have shown ability to pack a sleep producing punch.

DETROIT players who question George Moriarty's eyesight and judgment last summer, are sure to spend a few restless moments during the winter.

BENNY FRIEDMAN of Michigan, recently enjoyed a Detroit florist from using his name for advertising purposes. Being a good business man, Benny prefers to say it with passes rather than flowers.

"STUFFY" McINNIS should feel right at home managing the tail-end of the Detroit team for years for Connie Mack while he was winning annually cellar championships.

DURING those lean years with the Athletics, "Stuffy" says he met very few players in the American League. "They never stopped at first; it was two bases or no count with the opposing batsmen."

WHEN inactive Cup as to the best method of saving money, T. Cobb, baseball first millionaire player, replied, "Just let the net Nova Scotia Tech, winners of the Eastern section. For this game the U. N. B. team have to travel here on Thursday morning for Sackville, where the game is to be played on Friday. This will make a total of five games in 15 days for the U. N. ## Diminishing Interest In Grid Classic

WOTRE DAME AND BROOKLYN LEAD IN RACE

CAMBRIDGE, Mass., Nov. 15.—A diminishing interest in the annual football classic between Harvard and Yale was seen in the announcement by the Harvard Athletic Association that it has been able to fill all applications so far from Harvard men and that it expected to have 1,500 tickets available this week for like distribution. An announcement which will be mailed with tickets at the end of last week waives the "personal occupancy" rule, except for tickets in the cheering section, for this year only.

NEW YORK, Nov. 15.—The rugged Rockwell-trained riders of Notre Dame and the "Iron Men" of Brown hold the centre of the football spotlight as a result of a spectacular and fiercely fought series of battles as Eastern gridiron has ever seen on a single day. Notre Dame's 7-0 triumph over a hitherto undefeated Army eleven lifted the Hoosiers a notch nearer the mythical national title while Brown's smashing 21-0 victory over Harvard strengthened the claim of "Toss" McLaughlin's Bruins to Eastern championship honours.

## Wanderers Defeat U. N. B. In Hectic Contest Saturday

FREDERICTON, Nov. 14.—More than 800 rugby fans watched the Halifax Wanderers defeat the University of New Brunswick fifteen here Saturday 12-6, winning the series by 20-6. It was a game that will live long in the memories of New Brunswick fans who backed their team to the limit and until the closing minutes of play never lost hope that the home team would come through victorious.

It was a typical football crowd that watched the game, crowded to the eaves in great coats, for the day was cold and clear. The ground on which the game was played was as hard as pavement, due to a frost of the night before, and after the conclusion of the game most of the players had some bruises to show for their efforts.

Ability to take advantage of any opportunity that offered, great defensive play, kicking by "Tiny" Herman, and the brilliant all round work of Ritchie McCoy, enabled the Wanderers to defeat U. N. B., who had much the better of the territory play, scrumming, backfield play, but lacked the necessary speed and punch to carry the ball over.

Yet, the U. N. B. team were great in defeat. Outwitted in the scrum by many pounds the line held and the clean. The backfield and quarters worked well the first half and the crowd watched the U. N. B. team was a treat to watch. The kicking of Dick Chestnut was a feature of the game. He had a touchdown in the first half and a penalty kick over the bar for the only U. N. B. score of the game.
