

THE EVENING TIMES AND STAR, ST. JOHN, N. B., FRIDAY, OCTOBER 1, 1920

MARKS CLOSE OF SUCCESSFUL YEAR IN HOSTEL WORK

In recognition of work well performed, at the first annual meeting of the St. John branch of the Canadian Council for the Immigration of Women for household service, held yesterday afternoon in the Board of Trade rooms, the retiring officers were re-elected by acclamation. Mrs. H. A. Powell, the president, was in the chair. In preparing the budget for forwarding to Ottawa it was estimated that \$1,999 would be required to run the hostel next year. Mrs. H. Lawrence, as the New Brunswick representative of the division council, will carry the report of the local branch to the division meeting to be held shortly in Ottawa. Mrs. Powell, in opening the meeting, said that the end of the first year of the new enterprise found a hostel established in the city, well equipped and in good running order. During the summer it had accommodated paying boarders and had given much satisfaction.

Mrs. J. Goldman presented her report as treasurer, showing that the equipment of the hostel had cost \$2,134.51 and total expenses had amounted to \$4,700.00. Receipts amounted to \$6,000.00. A balance in the bank of \$100 was reported. The accounts are to be audited and revised and will be sent to Ottawa.

The monthly report of the matron, Miss R. J. Brown, told of \$108.85 having been realized by accommodating transients and spoke of the hostel as being used by the English girls in the city as a place of recreation.

Mrs. J. H. Jenner, the secretary, submitted an excellent report of all the work. She told how the infant organization had conquered many difficulties. It had secured a hostel to accommodate immigrant women and girls. It presented a budget of its expense to the division council, on December 15, 1919, and had been approved. It had been fully equipped and with Mrs. J. J. Jordan in charge as matron. Mrs. Jenner paid a warm tribute to Mrs. Powell for her splendid example in energy and for her most successful efforts on behalf of the hostel.

Speaking of the organization of the St. John branch, Mrs. Jenner said that each of the following societies had representation in its membership: Y. W. C. A., Victorian Order, High School Alumnae, Women's Franchise Society, Catholic Girls' Guild, Soldiers Comforts Association, Associated Charities, Women's Canadian Club, Daughters of Ireland, Y. O. D. E., Y. W. P. A., St. Vincent's Alumnae, Children's Aid, St.

HAVE DARK HAIR AND LOOK YOUNG

Don't stay gray. Nobody can tell when you darken gray, faded hair with Sage Tea and Sulphur.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Weyth's Sage and Sulphur Compound" you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Weyth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. It's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

CENTRAL CHURCH RALLIES.
A very successful young people's week is being observed with numerous rallies and entertainments at the Central church, by way of getting everybody well started on the work of the winter season. Last night the Philathea class of young women, of which Miss Maud Logie is the leader, and the Baracca class, headed by J. L. Collins, put on a splendid program, which included solos by Robert Mitchell and Clyde Parsons, readings by Miss Good and an address by Rev. A. S. Bishop, of Fairville. Refreshments were served by the young ladies. On Monday afternoon, the young people of the church, on Tuesday an indoor children's picnic and supper, at which about 150 thoroughly enjoyed themselves. The evening of the young people of the church, the attendance is large and the outlook for the season is excellent.

Almost the entire population of New Scotland, near Moncton, is searching for a young girl named Mimi Wood who is lost in the woods near there. Bears are reported to be quite plentiful in that locality.

FOR HOME DEPARTMENT.
A supper and social for the purpose of bringing together the members of the home department of the Sunday school and their friends was held last evening in the schoolroom of the Carlton Methodist church. There were about fifty present and the evening was a pleasant one. Mrs. Hugh Sloan and Mrs. S. H. Cunningham, the superintendents of the home department, were in charge of the arrangements. After enjoying a dainty repast, E. Thompson was appointed as chairman and an interesting program was carried out, consisting of short addresses by the chairman, the superintendent of the Sunday school, Miss M. Beaty, Mrs. Sloan, the pastor, Rev. J. Heaney, and Alfred Butley, a former superintendent of the Sunday school. A solo was pleasingly rendered by Mrs. Dingle Branstetter. A social half hour brought a delightful evening to a close.

Placing the Facts squarely before the Public

NINETEEN years ago the Benjamin Industries were established for the manufacture of Electrical Equipment and special devices making for the safety and convenience and increased usefulness of Electricity.

For years we have been inventing and producing these goods—in the best way we can—of the best materials we can obtain—and selling them for the lowest reasonable margin of profit.

Among hundreds of other devices, the Benjamin Company evolved the "Two-Way Plug"—an idea originally combining two other of our creations, the wireless cluster and the rotating attachment plug (the rotating feature being later eliminated). So satisfactory was the device, and so popular it became, that it can hardly be wondered at that others sought to produce something that would "cash in" on its prestige.

The Public is being deceived by cheap Imitations of the Benjamin Two-Way Plug

But not one of these has ever improved upon the genuine Benjamin Two-Way Plug—all are poorer mechanically—some are actually dangerous, electrically. The worst, of course, from one point of view, are those actually copied in appearance direct from our originals—and so skillfully copied that a certain amount of sale is assured, despite their mechanical defects, merely through their resemblance to the genuine article! Remember—Every Benjamin device is approved by all electrical authorities.

Some of the imitations, on the other hand, are made by cheap labor, of inferior materials, in foreign factories, and enter Canada absolutely untested for safety! Technically speaking, there is no Two-Way Plug but the Benjamin Two-Way Plug—for this was the name coined for the article by its inventor. Place yourself in our position: How would you feel if such a plug were being perpetrated in connection with goods you manufactured?

Jury's Verdict In Case of Death Of Woman

Finds Patient Was Attacked by Another Female Patient Occupying the Same Room.

That Miss Nellie Fenton, a patient at the Provincial Hospital for Nervous Diseases, came to her death at the hands of another female patient, was the verdict of the coroner's jury which held an inquest in the case last evening. Miss Fenton was found dead in her room Tuesday morning.

The jury met in the hospital last evening, having previously viewed the body and the room where it was found.

The first witness was Margaret E. Halifax, night nurse, who told of visiting Miss Fenton and the other patient who roomed together, at 6:15 Tuesday morning, when everything was all right. She told of her duties and of the position of the two women.

Mrs. Bessie Thompson, who found the body, told of going to the room soon before 7 o'clock and finding the body of Miss Fenton lying on the floor between the beds. She said: "What is the trouble, she is not dead?"

"Yes, she is dead and I killed her," Mrs. Thompson said the other patient replied. The patient again repeated that she had killed Miss Fenton by smothering her.

Mrs. Thompson then called other nurses and the matron. She said that the patient who attacked Miss Fenton had been a violent patient at one time, but not so bad lately. Her name was given as Mrs. Addie Robinson.

Dr. Harry L. Abramson, provincial pathologist, told of the result of his post mortem examination. The face, neck and finger tips showed deep cyanosis, he said. There was no cause found for death and in his opinion it had been caused by suffocation. Dr. J. V. Anglin, superintendent of the hospital, also testified as to conditions in the hospital and the duties of the employees.

Coroner Kenney made a brief address to the jury, summing up the evidence, and the jury after being out about an hour brought in a verdict to the effect that the death of Nellie Fenton was caused by suffocation between the hours of 6 and 7 o'clock on Tuesday morning, September 28, in the Provincial Hospital, by another patient of unsound mind. The jury found that no blame could be attached to any of the officials or attendants of the hospital.

The verdict was signed by W. A. Nelson, foreman; J. H. Whitney, Joseph Maxwell, Leonard Trafton, Charles L. Doherty, F. W. Parsons, John A. Carey.

REORGANIZATION OF C. N. R. OFFICES

Toronto, Sept. 30.—A. J. Mitchell, vice-president of Canadian National Railways, has completed the reorganization of the treasurer's office at Toronto, which reorganization includes the co-ordination of the Grand Trunk Pacific Railway and the Transcontinental Railway treasury departments at Winnipeg.

H. G. Foreman, hitherto assistant treasurer of the Canadian Northern Railway system here, has been appointed treasurer of that system. His jurisdiction will also include the Grand Trunk Pacific.

F. J. Buller is appointed assistant treasurer in charge of local treasurers and paymasters. His office will be at Toronto.

T. J. Macabe is to be assistant treasurer with supervision over the registrar and transfer departments, with office at Toronto. Mr. Macabe was formerly registrar and transfer officer.

C. H. Hickie is appointed assistant treasurer in charge of Grand Trunk Pacific Railway and Canadian Government Merchant Marine Limited, general accounts, with office at Toronto.

D. R. Gunn succeeds T. J. Macabe as registrar and transfer officer with office at Toronto.

T. H. Best is made assistant to the treasurer at Toronto, in charge of general accounts, etc.

S. J. Potter remains local treasurer at Toronto.

W. LeB. Ross, formerly local treasurer, Grand Trunk Pacific Railway, Winnipeg, is appointed local treasurer at Winnipeg, with supervision over all western lines.

P. J. Farley is to be general paymaster at Winnipeg, with jurisdiction to include the Grand Trunk Pacific and Canadian National lines west of Port Arthur.

J. C. Hill is assistant paymaster at Winnipeg.

H. W. White is assistant paymaster at Edmonton.

A. R. Curran remains as paymaster of Canadian Northern Railway system eastern lines at Toronto.
