Drysdale, Ont., June 16th, 1913 "I am a general storekeeper at the above address and on account of the great good I have experienced from using 'Fruit-tives' I recommend them strongly to my customers. They were a great boon to me. I can tell you, for about two years ago I was laid up in bed with vomiting and a most terrific pain at the base of my skull. This pain nearly drove me mad. Doctors feared it would turn to inflammation of the brain, but I took 'Fruit-tives' steadily until I was cured. I have gained fifteen pounds since taking 'Fruit-tives', and I verily believe they saved me from a disastrous illness."
