THOUSANDS OF FANS SWARM ON FIELD AND GAME IS FORFEITED

POLICE UNABLE TO COPE WITH THE SITUATION

Chicago White Sox Penalized and Cleveland Wins

NEW YORK, April 27.—An echo of the turbulent baseball days of the past reverberated in the Chicago American League ball park yesterday, when 44,000 fans swarmed on the field in the ninth inning of a game between the White Sox and Indians, after a nation fight which indirectly established a new circuit leader. In the forfeiture of the game to Cleveland, 1 to 0, after police had been unable to clear the field, Spunk's team was restored to the pace-making position, the champion Senators having made possible the switch through their defeat at the hands of the Yankees, 3 to 2.

Giants Increase Lead.
The New York Giants lengthened their advantage in the National League at the expense of the Phillies. Fletcher's club was unable to turn back the pitching of Bentley, for bunched hits after the first frame, when the Phillies scored their only run.

To Go To Halifax For Naval Training

Twenty men of the Saint John company of the R. C. N. V. R. will leave on Saturday for Halifax to take special training in the dockyard and on the ships. The training will extend over two weeks or more. The company meets each Wednesday night in its drill room in the Furong building. This week it will be in a position to take on a few more men, mechanics chiefly.

REPEAT CANTATAS.
The choir of St. David's church, under the direction of Bayard Currie, last night repeated the cantata "The Daughter of Jairus." A large congregation greatly appreciated the fine rendering.

In the Ludlow street Baptist church last night the choir, under the direction of H. S. Mayes, repeated its Easter cantata, "The Risen King." The church was crowded with an appreciative audience.

Basketball Fans Witness Local Teams Clinch Championship Honors

Along The Sport Trail

By RAY HANSEN

LIKE A BOLT out of the blue comes the glad tidings that a second professional baseball team will be organized in this city. After weeks of doubt and speculation a hero in the form of our old friend, Joe Dever, steps into the breach and announces that he is seriously contemplating organizing his old team mates. He figures that although he is showing a bit of superfluous avoirdupois about the waist line he can soon work that off and get his famous "whip" in trim. After looking over White Gibbons, Dick O'Regan, Jed Doherty and a few others he has decided that "Father Time" has dealt kindly with them during the winter months and after a hard workout they should quickly round into shape. The following conversation took place between the popular catcher and the writer: Joe—"Say, Old Timer, I have been thinking of getting the boys together. We could get a strong nine in the North End and be able to work some of our old stuff." R—"Sure you could. Why don't you get busy?" Joe—"Well, I think I will, but don't say anything about it." R—"All right, see you on Monday." Joe forgot to caution R. not to write anything about it.

SAINT JOHN is certainly working up some reputation as a basketball centre. The Trojans continued their good work on Saturday and had little difficulty winning from St. George's of Halifax. The Rovers have also won an enviable position this season in basketball.

CHAOS IS IN TRUTH reigning supreme in local senior amateur baseball circles. A meeting had been called for last Friday night in an effort to bring together those holding a franchise for the City League and officials of the South End League, but as the latter were not represented no action was taken. Another effort will be made Wednesday evening to have the matter amicably settled. It is an open secret that the South End officials are not keen on amalgamating with the City League, but at least two of the six teams of the former organization are on the fence. In other words they will fall in line with the majority. If the South End officials do not see their way clear to join forces with the City League then they will have to operate without a franchise or sanction. The City League officials say they are anxious for the combining of forces for it would result in banding together one of the strongest organizations possible, but if their efforts fail they contend they will continue to function. Amateur rules distinctly say that there can be only one recognized senior league in a city and this would mean that the South end champions would find themselves ineligible to play off for the Province title. There are undoubtedly many arguments on both sides, but it is to be hoped that for the good of the game some satisfactory settlement will be arrived at.

THERE ARE many clever pocket billiard players in this city who are eager to participate in a championship tournament. It might be a good idea for the proprietors of the leading establishments to get together and arrange for a title meet. It would certainly create interest in this sport.

THE WRITER was asked to settle an argument a few days ago. A contended that Babe Ruth was the highest paid athlete in the world, while B. considered several boxers, were making more money yearly than the "King of Swat." The latter was right. Jack Dempsey is undoubtedly the highest paid athlete in the world. As far as is known Ruth receives the biggest check of any baseball player, but his earnings cannot compare with those of the heavyweight boxing champion. Dempsey would not sign to meet a third rate for less than \$100,000 while Ruth works an entire season for \$32,000. Dempsey's earning capacity is unlimited, but he has purposely restricted it on account of the high income tax. In addition to boxing Dempsey has more opportunities for motion picture work. It is estimated that Dempsey has made over \$2,000,000 in the ring.

Anita Stewart Wins Her Case In New York Court

NEW YORK, April 27.—After deliberating only 15 minutes, a jury in city court today returned a verdict in favor of Anita Stewart, motion picture actress, who was sued for \$1,200 by Louise Sydmet, who appeared with her in a vaudeville act in October, 1923, and who claimed the amount of the alleged promise of Miss Stewart to employ her in other productions.

World's Records Broken In Meet

LOS ANGELES, Cal., April 27.—Clarence (Bud) Houser, Olympic shot-put and discus champion, set a new world's record in a track meet here Saturday in the disc event by tossing the platter 156 feet, 3/4 inches.

Another world's record was broken in the 440-yard women's relay, which was won by the Pasadena Athletic Club team in 52.7 seconds. The old record was 53.3 seconds, held by the same organization.

MEET IS POSTPONED

Weather Was Unfavorable Saturday and Sport Programme is Set Over.

Although a large number of spectators and all of the entrants in the Sunday school Athletic meet in West Saint John arrived at the course on Saturday, it was voted to hold only a practice meet that day because of the chilliness and threatening appearance of the weather and postpone the real schedule until next Saturday. R. H. Parsons was in charge of the meet and was greatly assisted by Rev. W. M. Matthews and Rev. W. A. Robbins as well as Eldridge Eastman, champion runner who had set out the course, and Commissioner R. W. Wigmore who spent the whole afternoon on the course and offered two medals for competition in the meet. Some more entries were received on Saturday and it was decided to keep the entry list open until Wednesday of this week as there is every indication that the postponed meet will be on a bigger scale, and have keener competition than would have been the case had there been no postponement.

I. bowling team at the tournament in Eastport was presented to the directors for safe-keeping until the tournament of next year to which will be in Saint John. The trophy was taken over officially. Joseph Coughlan, president, was in the chair.

The Trojans basketball team will hold their first practice of the season on the south end diamond this evening. Any players desiring a chance to make the team should turn out for practice.

MARITIME TITLE WON BY TROJANS IN FINAL GAME

Defeat St. George's of Halifax—Rovers Also Win

The Trojans won the Maritime Basketball Championship for the second successive year when they defeated the St. George team 40 to 27 Saturday night in St. Vincent's gymnasium. Before the big game the Rovers of Saint John won the provincial ladies' championship by defeating Moncton 28 to 21.

Some Clever Plays.
In the Trojan-Halifax contest there were many listless spots, but on several occasions the visitors turned in some combination plays which bewildered the Trojans. However, the locals were superior in all departments of the game and scored when it seemed necessary. Once, however, Halifax turned in a five-man combination which was the fastest play of the evening. The Trojans went into the last game of the home and home series with 29 points of a lead, and it never appeared necessary to work very hard to keep St. George's in hand.

Game Was Exciting.
The girls' game was the third of the series for the New Brunswick title, and all three were won by the Rovers. The game Saturday night was exciting, but the players kept bunched too closely together to play first-class basketball. The Trojans were evenly matched and showed they had been carefully trained to observe the rules.

PROTEST GAME

Trojan Intermediates Lose to Moncton—Had Been Notified Match Was Cancelled.

The protested game between the Trojan Intermediates and Moncton Pawness teams, was played in St. Vincent's gymnasium Saturday night following the regular scheduled games. The visitors won 34 to 31 giving them the provincial title unless the appeal of the Trojans is granted by the M. P. B. A. A. U. of C. It appears that the decision of the Moncton meeting two weeks ago was out of order and that the ruling which sustained the protest of the Pawness should not have been given; it is for this reason that the Trojans are appealing the decision. On Friday afternoon the Trojans were ordered to replay the game and on Saturday morning they were advised that it would not be played but the Moncton team arrived Saturday night and it was necessary to get enough Trojans together to play the game although two of their regular men could not be located and they were forced to take the floor with a somewhat weakened team.
