ton county.

A Storekeeper Says:

"I have been using a New Perfection Oil Cook-Stove all winter in my apartment. I want one now for my summer home. I think these oil stoves are wonderful. If only women knew what a nfort they are, they would all have

one. I spoke about my stove to a lot of my friends, and they were aston-ished. They thought that there was smell and smoke from an oil stove, and that it heated a room just like any other stove. I told them of my experience, and one after another they got one, and now, not one of them would give hers up for five times its cost." The lady who said this had thought

an oil stove was all right for quickly heating milk for a baby, or boiling a kettle of water, or to make coffee quickly in the morning, but she never dreamed of using it for difficult or heavy cooking. Now—she knows.

Do you really appreciate what a New rection Oil Cook-Stove means to you? No more coal to carry, no more coming to the dinner table so tired out that you can't earlight a Perfection Stove and immediately
