Victoria Meteorological Office, 14th to 20th September, 1904. The weather during this week has been fine throughout from Vancouver Island to Kootenay, while further north considerable rain has fallen, particularly about Port Simpson. The fine weather was due to the mer type of high barometric pressure hovering over this vicinity while to the southward the barometer remained low. The winds have been chiefly from the northward, and the average daily amount of bright sunshine recorded here was . 10 hours. The bush fires in the interior have not yet been extinguished, and much smoke is still in Kootenay and the adjacent states. The weather in the Territories and Manitoba has been partly fair, with showers, and upon two days quite frosty. The lowest temperatures reported were 24 at Calgary and 26 at Winnipeg on the 20th.

At Dawson the temperature fell to 8 above zero upon the 19th. Victor a-Amount of bright sunshine recorded was 70 hours and 12 minutes; no rain; highest temperature, 70.9 on 16th; 100 pounds, and to be worth \$64,000

The final act in the negotiations be tween the C. P. R. and W. J. Pendray, looking to a transfer of the latter's prop erty on Humboldt street to the railway corporation, was performed Thursday when a conveyance was executed by representatives of both parties. The company has held an option on this property since the middle of May. It is understood that the sum involved is \$72,000.

The C. P. R. desires this property in order to carry out the plan in view in connection with the tourist hotel to be erected on the flats. Sir Thomas Shaughnessy wanted to have surrounding which would altogether harmonize with grounds the company intended to provide and when it was suggested that the property from Pendray's to Government street be purchased he fell in with the idea. An understanding was arrived at by which the city was to give to the company the strip of land between the original northern boundary of the site and Humboldt street if the C. P. R. acquired the property. Mr. Pendray was approached and expressed his willingness to sell. A by-law was submitted to the ratepayers, who promptly endorsed it The railway company now owns all the property from Pendray's to Government street, with the exception of the corne premises, held by J. Seeley and the B. C Land & Investment Company. This to be expropriated by the city if a se tlement cannot otherwise be reached, and to this the C. P. R. has contributed the sum of \$20,000.
