whose oil picture "Off a Lee Shore" we noticed a few months ago, is visiting her home in Newcastle.

Mr. John A. Rundle of Newcastle, who has left for Brandon, Manitoba, was tendered a farewell supper at the United States Hotel. He was one of the young men we cannot well spare from the community.

"The Typical Irishman," was the subject of Rev. Robert Wilson's lecture in the regular Chatham course on Tuesday to the following resolution,—

"The the thanks of the jury be tendered to the foreunan, Mr. J. C. Gough, for giving Lord Lorne and the Princess Louise a guard of ten men to protect them while travelling through such and such Territories. They forget the treatment of Jr. Macdonnell as a Coroner for this District This course we think necessary in view of his disrespectful condition and conduct last evening in open court, and for the good name of the people living in this municipality."

It seems that Mr. Gough has not forgot the men to protect them while travelling through such and such Territories. They forget the treatment of the British Government while in England, not mentioning the cordiality with which the prominent British officers received and entertained him. Circumstantially the proposition of the people living in this municipality."

fect safety, wherever the old Jack waved, and receive the courtesy and attention England always gives her guests; not so in this republic-a guard was (and is) a necessity in travelling through the terri-tories mentioned. It might be well to mention another instance, and that of the much lamented and loved Geo. Peabody, when his remains were sent to his native land on board one of Her Majesty's finest ships of war with every houor possible. I will grant one thing, a similar homage and courtesy to a British subject could not be expected, as after their millions

of a snug and quiet harbour.
One thing is, certainly, gratifying, and that is, let the American Poodle, the Press, bark as it has a mind to the old Press, bark as it has a mind to the old Lion always maintains the dignity of his position; another thing is that the majority of the pot-house politicins who whoot off their mouths" (excuse the slang) against everything British, are nothing in rethan a lot of ignorant fanatics. The executive of the country are certainly friendly to Great Britain so we really cannot find any fault there.

We have been favored with a visit by
