Governor Franklin Delano Roosevelt, of New York, the Democratic nominee for the Presidency, has for some years been one of New Brunswick's most distinguished non-resident visitors, and the members of his family annually spend several weeks at the Roosevelt summer home at Campobello, one of the Grand Manan Island group in Passamaquoddy Bay. For almost 30 years the Democratic nominee and his family have been coming to Campobella and the Roosevelts are among the most popular of the hundreds of Americans who spend the summer months at this popular resort.

WITH the motoring season at its height, all drivers are urged to bring most attentive care in signalling. The signals appro-ved by the New Brunswick Au-

ved by the New Brunswick Automobile Association are shown
above, and the Chief feels that
use of these will go a long way
in preventing accidents.
All signals should be made with
the left hand. If you are making
