Nothing So Far Discovered is as
Beneficial to Public Speakers,
Ministers, Singers and Teachers,
as CATARRHOZE.
Because of its strengthening in-
fluence upon the vocal cords, Ca-
tarrhoze cannot be too highly re-
commended as a wonderful voice im-
prover. It almost instantly removes
hoarseness or roughness, thus insur-
ing clearness and brilliancy of tone. Ca-
tarrhoze keeps the mucous surfaces
in perfect condition, and its regular
use absolutely prevents colds and
throat irritation, thereby removing the
singer's greatest source of anxiety—
the inability of voice. The most eminent
speakers and prima donnas are sel-
dom without Catarrhoze, and credit
in no small degree their uniform
strength and brilliancy of tone to its
influence.
"For many years I have been a suf-
ferer from that terrible disease known
as CATARRH.
"Being a professional singer, you
can readily understand that Catarrh
would be a serious hindrance to my
professional skill.
"One year ago I read in the 'Pro-
gress' a convincing testimonial from
one who had been cured of this dis-
ease through using your God-sent
invention, Catarrhoze.
"Believing in the merit of Catarrh-
oze, I tried it.
"Catarrhoze cured me and has
been the means of my success.
"You are at liberty to use my name
if it will help relieve some suf-
fering, and I will always remain,
"Bob Bixley, New Glasgow, N. S."
Mr. Bixley is one of the best known
singers and entertainers in the Mar-
itime Provinces. Everyone knows him,
and his testimonial for Catarrhoze
is the best sort of evidence of what
great benefit Catarrhoze is to those
suffering with throat weakness or cat-
tarrh.
Complete outfit, consisting of a
beautifully polished hard rubber inha-
ler, and sufficient liquid for recharging
to last two months, costs one dollar.
Sold by all druggists, or sent safely
to your address by mail if price is
forwarded to the Catarrhoze Co.,

tances for such ships as may choose
the new and shorter route: Europe
to San Francisco 6200 miles and to
Zealand 1600 and to Australia 1800
