

GREATEST HEADACHE CURE IN THE WORLD

Tortures of Chronic Dyspepsia Cured by "Fruit-a-tives"

Shanley, Ont., Sept. 23rd, 1910.
"You certainly have the greatest Headache Cure in the world. Before 'Fruit-a-tives' came before the public, I suffered tortures from Headaches caused by Stomach Disorders. One of your travellers called on me when I had one of my raging Headaches and had my head almost raw from external applications. He insisted on my trying 'Fruit-a-tives.' I did so with what I would call amazing results. They completely cured me and since then (nearly six years ago) it is only necessary for me to take one occasionally to preserve me in my present good health."

BIG BUDGET GRACES NICKEL THIS CHANGE

Magnificent Programme by the Talented Kendall Trio — Miss Asher and Good Pictures.

A handsome Italian youth and his beautiful cello, a brilliant soprano and a harpiste of rare ability in addition to the fine singing of Gertrude Asher and a superb picture bill, sent away delighted thousands from the Nickel yesterday. It was a creme de la creme programme and everybody enjoyed it to the fullest.

The Kendall Trio is an extremely smart, classy act. Each member is an artist. The ongoing ensemble is a soprano and baritone duet, "Mother Machree," with harp and violin obligato. Then Stenor Novelli plays upon his exquisite cello, followed by the soprano number, Nathan's irresistible "My Cavalier." Pink Lady selections are played by the harpiste and after "The Last Rose of Summer" in trio, the finale is a costumed rendering of the ballad, "When You and I Were Young Maggie." On the whole the offering is dainty and refined. The songs are especially pretty.

Miss Gertrude Asher, whose visit has been extended another week, is now singing the graceful ballet waltzes from Delibes' opera, "Coppelia," which the youthful soprano renders with charming taste. Pictorially the Nickel is again a magnet. "The Girl and the Gangster" thrilled yesterday with its melodramatic situations and glimpses of the underworld and the Vitagraph comedy "That Late Mr. Jones" was a howl of merriment.

Tomorrow is Pathe Weekly day at the Nickel and Friday, the fourth of the "Mary" series—a burlesque adventure—will be the big attraction.

The M. C. of L. (Christian Monitor). As a result of the long unsettled state of affairs in the Balkan canary seed is said to have advanced several cents in the pound. Thus, we are now likely to hear something about the high cost of bird singing in the household.

CASTRO LEADERS, CAPTIVES, PARADED BEFORE GOMEZ

ON THE PLAZA AT MARACAY

President Gomez demonstrated the strength of the Venezuelan government's military arm when he paraded the entire division stationed at Maracay. A group of twenty political prisoners, who represent the visible residue of the Castro revolution; six thousand infantry, cavalry and mountain howitzers, all well equipped and disciplined, marched from the barracks three miles away, at Tapach, where the prisoners were taken from Coro.

President Gomez had left the train, purposing by this spectacle to demonstrate to the populace the futility of seditious plots.

WINNIPEG WAS EASY FOR AUSTRALIANS

Winnipeg, Sept. 1.—Winning by an innings and 58 runs, the Australians took the Winnipeg All-Stars easy, dismissing them in the first innings for 48 runs and in the second for the all-time record low score of 8 runs, two of which were singles and four byes.

with the ball was the feature of the day's play, capturing no less than 13 wickets at the small cost of fourteen runs. Crawford also bowled throughout both innings, taking six wickets for 35 runs. Mayne played beautiful cricket for his 58 not out, as did Cody for his 21. Stear and Price were responsible for the ten Australian wickets, each taking five, the former for an average cost of six runs a piece, and the latter for 9.2 each.

During the Winnipeg's second innings when the telegraph board was registering "six wickets for one run" and interest was at its height, the two-tier stand on the west side of the ground, overburdened with excited spectators, collapsed without injury to anyone.

BARRIEAU-CROSS BOUT DRAW.
Vancouver, B. C., Sept. 1.—Frank Barrieau, of Vancouver, former welterweight champion of Canada, went 12 rounds with Leach Cross, of New York, at the Brighouse Arena today, and the fact that the boxers had mutually agreed on a draw if on their feet at the end of the fight saved the American from having a defeat registered against him. The contest went the limit with the Vancouver lad having a shade, and he left the ring without a mark while the New Yorker, who is camping on the trail of Willie Ritchie and Freddie Welsh, climbed out with his mouth badly cut and a would-be left eye black, the result of Barrieau's straight left. In summing up Barrieau had five rounds, Cross three, while four were even.

AUSTRALIANS VICTORIOUS.

Winnipeg, Sept. 1.—Australians scored a victory over Winnipeg by 58 runs and 58 runs in low scoring game. Australians 112, and Winnipeg 48 and six.

A letter of Thomas Carlyle has just been made public in which he speaks of "clamorous printers' devils." Had Carlyle hastied copy for a modern daily newspaper the English language wouldn't have been half big enough to hold him.
