PROGRAMME OF AQUATIC EVENTS IN Y.M.C.I. TANK

Large Audience Watch with Interest the Competitions Last Night - Juniors and Seniors Make Excellent Showing.

That there are in St. John a few "youngsters" who will some day occupy a place prominent in the aquatic history of this country was evidenced last night at the Y. M. C. I. sports. Strong, even stroke swimmers featured each event and all the races saw a large number of entries. The management of the institution is deserving of credit for offering to the young men of the city an opportunity of participating in clean and healthy sport. The relay race between the Juniors and seniors furnished excitement. There were four contestants and each was obliged to swim the length of the tank and return. The Juniors were successful in this race, winning by a good margin. Flood's swimming with the crawl stroke was a feature of this event.

The match is for 100 a side, best three heats out of five and the distance is a half mile straight away.
