

WATERLOO NEWS RECORD

DATES OF POULTRY SHOWS WILL CLASH

Both Associations Will Adhere to Same Dates

After a discussion lasting for over an hour and a half between the members of the Waterloo Poultry Association and a committee composed of President Ringle, Secretary Beam, Mr. Wellheiser of the Kitchener Association at a meeting held in the Council chamber, Waterloo last night in regard to the holding of the annual shows of the two Societies in Kitchener and Waterloo on the same dates the parties were just as far from compromising at the finish as when they began. The outcome of the whole discussion was that the dates will clash and consequently both associations will not benefit as much financially and otherwise had a change in date been decided on. The Waterloo Association extended, and apparently rightly so, that they have always held their show during Xmas week while on the other hand the Kitchener show has not been held since three years in November and the switching of the dates this year to those selected by the local association looked as if they were trying to put the Waterloo Association out of business. This remark had been used quite frequently of late and it had only been an incentive to the members to remain firm and stick to the dates that really belonged to them. The Kitchener delegation were frank in their statements last night and refused to budge. There was any intention on their part to smother the Waterloo Association. The question of the two associations amalgamating had been discussed early last Spring but nothing had come of it. A letter had been written to President Lamb in this regard but as no answer had been received the matter was allowed to drop.

During the discussion it was pointed out that the matter of the dates clashing had been referred to the Department at Toronto and Secretary Wade of the Ontario Poultry Commission had advised the two associations to get together as the two shows could not be held on the same date. The matter had dragged along all summer and it was confidently expected that the matter would be settled at the convention held in Guelph this summer but when the local delegates brought it up it was decided to leave it to Secretary Wade and Chairman Hamilton to arrive at a settlement suitable to both parties. However, the matter still hangs as it did then and from the expression of opinion of both sides last night the Kitchener delegation could not see their way clear to give up the dates already chosen but would lay the matter before the general meeting for final decision. Secretary Underwood explained that some few years ago there were 6 shows held throughout the County all on different dates and could not see that as we have only 3 associations that two of them should hold their show on the same dates.

There was a lot of discussion on the split which occurred in 1917 when the Waterloo Association was formed but the members did not seem to be getting any nearer a solution and there is no doubt that on or the other will suffer when the annual show is held. In listening to any discussion last night one could help but feel but what there was no nigger in the fence somewhere but just what it was hard to determine. One thing sure Secretary Wade's handling of the question did not receive any commendations from the two sides. The matter stands now the two sides will have two poultry shows instead of one during Xmas and New Years.

LIBERAL CAUCUS

DECIDES TO OPPOSE ACQUISITION OF G.T.R.

AT THE PRESENT JUNCTURE

(Special to the Record)

Ottawa, Oct. 15.—Opposition members will oppose the Grand Trunk legislation proposed by Hon. Arthur Meighen, on two particular grounds. First—Because it is claimed to be unjust to the house and the country to bring down legislation of such importance, in view of the declaration of the acting prime minister, made on October 8, to the effect that business of parliament had then been practically completed and that proposals as laid on as hand.
Second—Because that in view of the financial conditions of the country as disclosed by Sir Thomas White, former Minister of Finance, before the soldiers civil reestablishment committee, it is unwise to hurry the country into further heavy liabilities at the present time.

On the specified grounds the Opposition will oppose the measure and a lengthy debate is consequently in preparation. The decision reached in full caucus of the Opposition members held this morning.

SENATORS WILL ALSO OPPOSE BILL

OTTAWA, Oct. 15.—The Liberal members of the Commons met in caucus here to-day and decided to oppose strongly the Grand Trunk legislation, on the ground that it was unfair to the country to propose such legislation at the present time.

The caucus was presided over by J. C. Ethier, M.P., for Two Mountains. Leader Mackenzie King attended.

The statements of Sir Thomas White regarding the financial condition of Canada were freely quoted and the opinion expressed that such legislation as the Grand Trunk Purchase should not be put through at the present time. Liberal members declared that the debate on the question in the Commons would last all week and well into next unless the closure is applied by the government. Liberal senators present also promised a stiff fight in the upper chamber.

WATER COM. HOLD REGULAR MEETING

Proper Test of Bridgeport Wells Could Not Be Made

The regular monthly meeting of the Water Commission was held last evening there being present Mr. C. Braun, Philip Gies, R. F. Goffin and Mayor Gross. In the absence of chairman Breithaupt Mr. Braun took the chair.

The business was principally routine. A chemical report of the Strange Street well has been received showing the water to be fairly hard. The Board will also apply to the Compensation Board to have all work carried on by the commission transferred to schedule One. This will place the Commission's workers in the same class as factory workers. There were a number of communications received principally of minor importance. Supt. Hymmen presented a report, part of which was as follows:

Gallons pumped at
Shoemaker Ave. 21,866,000
Gallons pumped at
Glasgow St. 6,039,000
Received from
Waterloo 20,520,000

Maximum Gals. per day 1,742,000
Average Gals. per day 1,614,106

The test of the Bridgeport wells did not prove as satisfactory as we expected. Wells No. 1, 2, 3 and 5 are so filled with sand and stones that they produced very little water, with No. 5 we could not do anything. We had 4" Turbine Pumps on Nos. 4 and 6 emitting a large quantity of sand and—355,000 and 371,000 gallons per twenty-four hours respectively. Wells Nos. 1, 2, 3 and 5 will have to be cleaned before the proper test can be made. The 6" main on Park St. was extended 245 feet to within 58 feet of where it is proposed to divert the street, from there we laid 94 feet 1 inch pipe to Mr. Wm. Ziegler's four new house, 1 additional hydrant was placed on the 6 inch line.

HIS ABSENCE

(Special to the Record)

Hamilton, Oct. 15.—With the election day less than a week away the Grand Army of Canada here is beginning to worry over the continued absence of Capt. M. L. Fitzgerald, its soldier candidate for the provincial honors in East Hamilton.

About five weeks ago, after announcing his decision to enter the field under the "Army's" banner and arranging for his nomination by proxy, the Captain wired his plans for all called overtures on important business and had left for England. He was to have returned on October 8th, but up to date nothing has been heard from him.

On Monday he was nominated by proxy and the G.A.C. expecting his arrival in the city momentarily, arranged a series of mass meetings. Efforts have been made to locate him by cables to the old country and wires to the various papers. Thus far all attempts have ended in failure and his sponsors are in a quandary as to what to do in the matter.

According to indirect information Capt. Fitzgerald had booked passage for return on the Minnow, which docked in Canada some few days ago, but as nothing has been heard from him his sailing on that boat is regarded as improbable.

Since leaving Canada his wife, who resides in Hamilton, has received but one letter from her husband and she too is somewhat alarmed. This morning telegrams were again directed to steamship agencies at Halifax and Quebec but up to a late hour this afternoon replies hadn't been received.

THE BAZAAR AT ST. MARY'S HALL IS A GREAT SUCCESS.

Everything is in fête at St. Mary's Hall. The bazaar which the ladies of the parish are holding opened last evening under favorable auspices. The success on the first night was beyond the most sanguine expectations. The attendance was large, the bazaar was well patronized and the various booths were marked and justifiably so. The event which is being held for the benefit of St. Anne's convent is being held under surroundings as appropriate for the occasion. The interior of the hall is very inviting. The attractive booths, filled with hand-made and desirable articles which appeal to the young folk as well as to the old, besides the flags, ferns, flower-plants, and beautiful and useful articles, all form an effective and harmonious whole which holds the eye. There are several booths, namely candy, fancywork, ten cent booth, useful articles, ice-cream and coffee. There are in charge of the kind bodies of the parish. Last evening all were well patronized. The indications are that the patronage this evening and tomorrow evening, the last night for the bazaar, will again be as general and large as last evening. Today the pupils of St. Mary's and St. Anthony's schools were the patrons. They were accompanied in groups under the direction of the Sisters. It was interesting to note the enthusiasm which the young folk displayed at the booths. A survey of the bazaar and what it has to offer in the way of useful articles reveals good reasons for congratulations to those at the helm of the undertaking. To those who donated the articles, who by the way, are not limited to the Twin Cities but also include friends residing in distant towns and cities in Western Ontario, equal commendation is due.

was declared as illegal. The upholders declare that their demands are not excessive owing to increased cost of living, and after many compromises they have made will not make any further ones, but are out to win. Compromises are taken as signs of weakness so the fight will continue to prove such is not the case.

To Be Sober.

Strong arguments were delivered in favor of developing the social side of the labor movement. All want to play "is too strenuous as all know, so evenings for sociability are to be desired. Delegates will make a 'feel' at their own local unions.

Abolition of Night Work.

Organizer Stewart spoke in favor of the abolition of night work for bakers. This was being done all over, and the consumer of the morning loaf never knows the unnecessary discomfort of the baker. Knead is just as palatable made by day work, it is claimed, and the forward movement is to abolish night work.

George Haehnel, the Candidate.
A resolution endorsed the candidature of the Labor candidate, George Haehnel, was unanimously passed.

The meeting was addressed by Mrs. Tucker and Mrs. Wiemer, the ladies being most eloquent in favor of a man who understood labor problems, and no other, strong point being that nothing was done for families left by the "Flur" and other misfortunes without support.

The Independent Labor party platform was explained clearly by C. Massel, president of the party in North Waterloo.

Organization work was conducted at the close of the meeting.

WILL TRY TO SETTLE IRISH SITUATION

LLOYD GEORGE TAKING UP PROBLEM.

London, Oct. 14.—This week sees the beginning of Lloyd George's new effort to devise an Irish settlement to submit to the House of Commons when it reassembles on October 22. News from Dublin to-day is frankly hostile. These messages declare that no good can come from a Cabinet committee to predominantly Unionist, including as it does, such former co-operationists as Lord Birkenhead (formerly Sir E. E. Smith). Upon this however, it is only fair to remark that Lord Birkenhead has often shown a remarkable capacity for political adaptability to exchanged conditions. These Nationalist declarations recall the assertion of a prominent Irish Nationalist member of the House of Commons, who, in speaking of the efforts made by Lloyd George for conciliation, said recently: "We shall kick anyone who ever proposes, but you must do something, for obviously nobody except the Sinn Féiners want the Home Rule Act to become operative and thus set up a Sinn Féin Parliament in Dublin."

BOLD MEASURES NEEDED.
The Dublin correspondent of the Manchester Guardian says, probably with truth, that nothing but bold measures, which frankly recognize the unity and nationality of Ireland while making it plain that the

protection, have the smallest chance of being accepted and lead to peace and settlement. Otherwise to the words of Sir Mark Sykes, "the scuffle with the Irish people must go on with all its unhappiness, efforts upon Anglo-American and inter-imperial relations. Lord Northcliffe's hand is disclosed in an editorial in The Times to-day. He reiterates his proposals for dominating Ireland and reminds Unionist who charge him and The Times with treachery to the Unionist cause, that upon the basis of Unionism isn't to regard as a fetish an Act Parliament unworkable, but rather to recreate a union of sympathy and willing co-operation between peoples in these islands. A foundation must be laid upon the Irishmen themselves may in the course of time, build up free Irish institutions.

LATE DOINGS IN POLITICAL FIELD

TOM MOORE ENTERS ELECTION CAMPAIGN

Ottawa, Oct. 13.—President Tom Moore, of the Dominion Trades and Labor Congress, in a speech last night in support of the Labor candidate in West Ottawa, made a plea for the return of a healthy Opposition, drawn from the ranks of Labor and the United Farmers. President Moore alluded to the existence of "political war chests" and challenged the Conservative and Liberal candidates to make known the source of their campaign funds, so that the public may know who are the "masters of the Government."

Mr. Moore said that it was unusual for him to delve into the political arena, but he felt present conditions warranted such step.
