No. 142.

Earl Granville to Sir E. Thornton.

Sir,

Foreign Office, June 20, 1881.

WITH reference to recent correspondence respecting the compensation claimed by the United States' fishermen on account of the occurrences at Fortune Bay and elsewhere, I have to request you to inform me what proportion of the sum of 15,000*l.* paid by Her Majesty's Government in satisfaction of these claims may be taken to represent the amount payable on account of the Aspee Bay claim.

I am, &c.

(Signed) GRANVILLE.

No. 143.

Sir E. Thornton to Earl Granville.

(Substance received by telegraph, June 22.)

My Lord,

Washington, June 22, 1881.

WITH reference to your Lordship's telegram of the 20th instant, I have the honour to state that the claim made by certain United States' fishermen for having been prevented from fishing for bait in Aspee Bay has always appeared to me a very small affair, and has, I know, been so considered by both Mr. Evarts and Mr. Blaine. But such little claims, if neglected, are apt to be magnified in course of time, and as it could not be considered as one having arisen in a dependency of Newfoundland, I thought it would be desirable to mention it separately.

I am, however, of opinion that 150*l.* would fully satisfy the Aspee Bay claims mentioned above, and I am convinced that the United States' Government will not assign more than that sum to their satisfaction.

I have, &c.

(Signed) EDWD. THORNTON.
