Combining these features—Our Direct Selling Policy—Our Low Cost of manufacture, our unconditional Guarantee, and the fact that we are not connected in any way with Manufacturers' combines, for the elimination of competition and the maintenance of high prices we believe you will give us credit for being in a position to sell you the best fence it is possible to make at the lowest possible cost.

THOUSANDS OF DOLLARS

Have been saved each year by the Farmers of Canada through the Direct from Factory to Farm Policy of The Sarnia Fence Co., Ltd. You will remember the high prices the fence combine forced you to pay before Sarnia Fence came on the market. At that time wire cost less than half the present market price. Today our prices are lower than the previous high prices in spite of the doubled cost of raw material.
