Dear Sir:-

We enclose herewith copy of advertisement re timber on the Gibson Reserve and hope that you will give authorization for this to be published in The Financial Post.

You can easily see that such advertising is particularly appropriate to the class of readers which The Post reaches.

We are on the Government official list of newspapers for the publication of such matter, but suggest that this advertisement be placed in The Post because it should be a good business step for the Department.

This advertisement in The Post would cost \$6.50 per insertion or \$22.50 for four insertions.

We shall be glad to have your favorable decision.

Yours truly,

THE FINANCIAL POST OF CANADA.
