Toronto, 17 October, 1933.

Dear Sir,

I have your letter of the 13th instant directed to me at Ottawa.

Owing to my absence from Ottawa during the recess of Parliament I am out of touch with Departmental activities. I do know, however, that staff reductions to the number of some two thousand have been made in the Civil Service, and I am really at a loss to know wherein I could be of assistance to anyone in securing Government employment.

Yours very truly,

Arthur Meighen.
