Ottawa, August 21st., 1908.

Sir,-

I beg to draw your attention to the fact that the Department is paying wages at the rate of \$40.00 a month to John Kuhn for his services as Wood Constable at the Glandeboye Agency. A similar wage is being paid to Thos. Jerry for like services rendered at that Agency. Moreover, payment for expenses incurred by the Constables in the discharge of their duties is being made. The Department desires to receive a full report from you regarding the nature of the services rendered by these men. You should also report as to the value of the work, and how long you consider it will be necessary to retain them in the employ of the Department. Kindly give this matter your early attention.

Your obedient servant,

Secretary.

The Indian Commissioner,
WINNIPEG, Man.
