Word 21.

I have to acknowledge the receipt of your letter of the 2nd instant, enclosing a plan for a proposed laundry to replace the one destroyed by fire last winter. This plan should have been accompanied by specifications showing in detail the manner in which the building is to be erected, materials to be used, etc. You should have also made an estimate of the cost of the erection and stated the sum which you think would be necessary to furnish the building, giving detailed list of all furnishings. As soon as this information is received the matter will be further dealt with.

Your obedient servant.
