acres on this tract. The valuation of 81.00 acres is therefore, \$1210.00 and of the whole area \$7696.75.

The Royal Commission in its first Interim Report recommended the transfer of 400.00 acres and in a second report a further transfer of 10.00 acres. Before submitting this matter again to the Royal Commission, I shall be obliged if you will be good enough to inform me whether the area stated to be required and the valuation placed on it of \$7696.75 are satisfactory to your Department.

Your obedient servant,

L. M. Lean
Assistant Deputy and Secretary.
