Toy Department

IN no other store in Canada will you find such a display as is shown in our Toy Department which covers a space of 7,500 sq. ft. It consists of a varied stock of all the latest and best toys that money can buy, picked from the manufacturers of the world. If you visit this department you will not wonder why it has many times been christened the home of Santa Claus. Different from other stores, this department can furnish you with your toys any day in the year. Below are a few of the many useful and up-to-date toys carried.

Dolls, Teddy Bears, Doll Carriages, Express Wagons, Auto, Velocipedes, Steam Engines, Sail Boats, Games, Toy Books, Sand Sets, Rowing Wagons, also a nice line of Sporting Goods, Tennis Rackets, Balls, Etc,
