

A horizontal number line with 22 equal segments. The starting point is labeled $10x$ and the ending point is labeled $32x$. Above the line, labels are placed at $10x$, $14x$, $18x$, $22x$, $26x$, and $30x$. Below the line, labels are placed at $12x$, $16x$, $20x$, $24x$, $28x$, and $32x$. A checkmark is drawn in the 8th segment from the left, indicating the final position of the number line.
