YOU MAY BE A RICH MAN, SOME DAY

Opportunities for making money are many but it takes time for capital to accumulate even under the most favorable conditions. Every man of ability expects in the course of years to have sufficient to ensure to his family during their life time the comforts to which they have been accustomed. Unless an unexpected reverse of fortune occurs their is little doubt but that you will make money. "But "many things may happen" while the money is being made. This is where life insurance comes in and makes available the means that would have been yours if health and life had been spared. You will be rich "some day," if you live, but the insurance policy will anticipate for your family the accumulations of future years and render sufficient means available even should you not survive to realize your ambition.

BONDS

During the progress of the Great War our Bonds were freely purchased by experienced and prudent investors, including Fire and Life Insurance Companies, Fraternal and Benevolent Associations, etc

We issue them in sums of One Hundred Dollars and upwards for terms of one or more years. They are transferable and bear a very attractive rate of interest, for which Coupons payable half-yearly are attached.

The Corporation's large Capital (fully paid-up) and Surplus protect, beyond question, the funds of its Bondholders.

We welcome enquiries and will gladly furnish a copy of our last Annual Report and any further information desired on request.
