

# De Laval Cream Separators

In every corner of the world where butter is made, you will find these machines, also an established agency for their sale.

Over 400,000 of them in daily use; more than ten times all other makes combined.

After twenty-four years of uninterrupted success, they remain to-day the world's leading dairy machine.

THE DE LAVAL SEPARATOR CO., 77 York St., Toronto.

## DO YOU WANT A GOOD COOK BOOK?

We will give you one, FREE.

Send us one subscription to THE FARMING WORLD and we will mail this book to you. If you are already a subscriber, send us \$1.00 and we will mark up your subscription for a year and send you THE IDEAL COOK BOOK.

THE IDEAL COOK BOOK is the best thing of its kind ever published. It contains over 1,000 recipes, which have been most carefully compiled with the help of friends all over the world. Perhaps the most notable feature is the latter portion of the book, which is devoted exclusively to Sick Room Cookery, and the treatment before the doctor arrives of persons suddenly taken ill or meeting with an accident. It is bound in substantial oil-cloth cover for the kitchen.

Remember you can secure this Splendid Book Free by sending one subscription to THE FARMING WORLD.
