

Don't Paint The Roof

All the expense of painting a roof may be saved by covering it with

Brantford "Crystal" Roofing

—and the cost will be one-third less than for wooden or metal shingles

You certainly owe it to your pocketbook to learn more about this wonderful roofing. You should have a sample. Then you can test the flexibility and toughness of Brantford "Crystal" for yourself—and see with your own eyes its time-defying Surface of Rock Crystals. A surface that cannot be improved upon for weather- and fire-proofness. A surface that needs no painting at the start and never will, as rock crystals cannot dry out, crack, freeze, or melt—practically indestructible.

Sample, and big roofing book, will be mailed FREE as soon as we hear from you, which should be by next mail.

Your bird will drop every time, when you pull trigger on a Stevens Rifle or Shotgun.

It's easy to get a good and quick aim, because of the absolute accuracy of the Stevens sights, either peep or open; and because of the perfect balance of a Stevens—when you swing it to your shoulder, you find it steady and true to your aim. Then a Stevens is wonderfully far-and-straight-shooting, hard-hitting, and quick-firing. Stevens hold more records than any other make of gun.
