THE PHILADELPHIA CONVENTION.—The pr cedings of the late Convention have by means given very general satisfaction. Another Convention representing a different policy was aboutly be held. A Committee of the late Co fention was appointed to wait upon the Predent to least t dent to lay before him their proceedings. M Johnson addressed the Deputation at gre length, and took occasion to eulogize his o rse of conduct. In the course of the address * remarked :- " I consider the proceedings this Convention, sir, as more important th those of any Convention that ever assembled the United States. When I look with my mind eye upon that collection of citizens coming Bether voluntarily, and sitting in council wi Meas, with principles and views commensurate Ducks, per pair,.....none

not be cured, it may be shunned with all the States and co-extensive with the place cannot be curve, seen what I have, they the whole people, and contrast them with the gentled all young converts seen what I have, they the seen who are trying to destroy the country, I He all young to destroy the country, I regard it as more important than any Convenregard it as more important than any Conven-tion that has sat at least since 1787. I think I the resolution that has sat at least since 1787. I think I may also state that the declarations that were may also state that the declarations that were the converts in your parish had jointly adoptall the converts in your parish had jointly adoptthe converts in your parish had jointly adoptthe converts in your parish had jointly adoptthere made are equal with the Declaration of Independence itself, and here to-day I pronounce it a second Declaration of Independence.
Your addresses and declaration are nothing in order to the converte to the converte that the declaration of Independence itself, and here to-day I pronounce it a second Declaration are nothing in order to the converte to the con 15, and to me a more of the Christian profession, as well more or less than a re-affirming of the Constitution of the United States. Yes, I will go further, and say that the declarations you have made, that the principles you have enunciated in your address, are a second proclamation of emancipation to the people of the United States. For in proclaiming and re-proclaming these great truths you have laid down a constitutions platform upon which all can make a common cause and stand together for the restoration of A Society for the process of cruency to cause and stand together for the restoration of the States and preservation of the Government without reference to party. without reference to party. The question only is the salvation of the country, for the country

OFFICE. No. 16 BEDFORD ROW

JUST PUBLISHED And for sale at the Wesleyan Book Room, Halifax. "Newfoundland and its Missionaries,"

In one handsome 12 mo volume; BY THE REV. WILLIAM WILSON, Fourteen years a missionary on the Island. OPINION OF THE PRESS. "There has just been issued from the press a beautiful and interesting volume entitled, "New-foundland and its Missionaries," in which there is foundland and its Missionaries, in which there is a complete description of the Topography of the country; also of its interior, hills, lakes, minerology, climate, soil, vegetable and animal kingdom, febers, contours and behims of the

What the Press says and what the people NEWFOUNDLAND AND ITS MISSIONARIES .-NEWFOUNDLAND AND ITS MISSIONARIES.—
"This is an exceedingly interesting and instructive work, giving not only a history of the Methodist missions from their earliest date, but also the geographical position, physical features, minerology, geology, vegetable and animal life of the Island, besides other valuable statistics. The book also contains a description of the seal fishery, interspersed with anecdotes. A comprehensive summary is also given of the French war, the exterpation of the Red Indians. &c. The work is well.

tion of the Red Indians, &c. The work is well worthy of a place in any library."—Halifas Sun. Ennis & Gardner
