

SENT ON 30 DAYS TRIAL (See Note Below)

Some Sample Groupings Made With Set No. 20, Which is Made Exclusively for Grocery Store Window Trimming.

Above shows in a very small way a few of the different groups and fixtures that can be made with the assortment of YOUNITS. In each case the fixtures are ABSOLUTELY RIGID and will hold all the merchandise placed on them. The fixtures are put together as you want them, either high or low, or wide or narrow, in other words, you put together a fixture just as you require it, and this is done very quickly, and remember, you do so WITHOUT THE AID OF A TOOL, NOT EVEN A SCREW DRIVER.

There are 89 parts or YOUNITS that constitute the set No. 20 ONKEN Interchangeable Wood Window Display Fixture YOUNITS. All YOUNITS are made of thoroughly kiln dried oak and all metal parts are of cold rolled steel; all YOUNITS are accurately machined so they will fit right, and are interchangeable. When a number of YOUNITS are set together, they form a fixture that is positively RIGID and STRONG. With these 89 YOUNITS you can make HUNDREDS of standard and odd window display fixtures and easily more than 500 window trims, never making any two trims alike. The 89 YOUNITS are put up in a HARDWOOD HINGED LID STORAGE CHEST, (Oiled Finish).

**There are no screws, screwing into wood.
The Fixture with "The Sunken Steel Socket."**

This Window trim was made with Set No. 20. In making this trim 39 YOUNITS were used of the 89 in the set, leaving 50 YOUNITS that can be used in making other trims and individual fixtures for inside store use.

This window trim was made with Set. No. 20. In making this trim 58 YOUNITS were used of the 89 in the set, leaving 31 YOUNITS that can be used in making other trims and individual fixtures for inside store use.

This window trim was made with Set No. 20. In making this trim 40 YOUNITS were used of the 89 in the set, leaving 49 YOUNITS that can be used in making other trims and individual fixtures for inside store use.
