

## PRES. COAKER WELL-RECEIVED BY THE CITIZENS OF CARBONEAR

Makes Good Impression on Large Gathering at Public Meeting—Will Speak at Harbor Grace To-night—Public Opinion in Conception Bay Swings to Coaker

Carbonear, Jan. 19.—Pres. Coaker arrived from St. John's last evening and was met at the station by a large number of Union men. He addressed a public gathering at St. James' Hall at 8 p.m., presided over by Capt. Geo. Penney. Rev. Mr. Holland, Dr. Boyle and the officers of the Union were on the platform. The hall was packed. The President's address was on Union aims and patriotism and he spoke two hours, being continuously applauded with great enthusiasm. Capt. Wm. Penney moved a vote of

thanks which was seconded and carried by a standing vote and cheers. A union meeting was held after the public gathering dispersed and closed at midnight. People were delighted with the President's address which will mean large additions to the Union ranks and the removal of much misunderstanding amongst opponents of whom a large number were present last night. Mr. Coaker left for Harbor Grace this morning where he will address a public meeting tonight, returning to the city tomorrow. The President spent Saturday night and Sunday at Harbor Grace, it being his first visit to that town. The people of Conception Bay will back Coaker in a solid body at next election. Everywhere a splendid reception was given the President.

## NFLD. LADY SAW OUR BOYS IN SCOTLAND

Mrs. Belle Sclater Tells of Meeting the Officers and Some of the Men of Our First Regiment

Mrs. Belle Sclater of this city who has been on an extended visit to friends in Scotland, has paid a visit to the boys at Inverness. She is acquainted with many of our soldiers and was delighted to see them and they were pleased to see her. Writing to her brother, Mr. W. F. Shirran, she says: Christmas Day was a very happy one, spent at the home of Mr. Petrie, Inverness, with Mrs. Lewis Miller. Late dinner and quite a party. Then on Saturday afternoon six of the boys were asked to tea.

You can imagine what a time we had when Ralph Herder, Bert Tait, Jim Leddingham and Jim Thompson. A few days before Joe Nunn and others had been there, and Mrs. Petrie had invited for dinner at 8, six officers. We had a delightful night. The table was perfect. A Newfoundland flag surmounted all. Capt. Walter Rendell, Wes' March, Dr. Wakefield, Herbert Herder, Charlie Ayre and Wilfred Ayre were present. Then on Monday the car called for us and we motored 14 miles to the Barracks.

Met the Officers. I shall never forget it. We met at the officers' club. Capt. Carly had his boys drawn up to receive their Xmas cakes, which had arrived after a long delay, so he told all the boys who knew us to come and shake hands. Mrs. Miller was surrounded. Some I'd met. I felt very proud I can tell you. They looked fine, and if the folks at home could see the boys now they would be proud of them too. I could not help shedding tears at two of my old Sunday School boys: came forward and almost embraced me—Eric Robertson and Charlie Oke. Do tell their parents I saw them and that they are fine and well.

Great Place. I cannot describe the Fort. It is a great place with over 900 men there. Then after inspection of rooms, etc. We had afternoon tea and were introduced to Lieut.-Col. de Burton. We talked for an hour with Capt. Carly, March and Rendell, Lieuts. Rowell, Stammers, Tait and others. We were driven back to town in a lovely car, owned by Mr. Fred Boyring driven by Gerald Harvey and his orderly was W. D. Reid's son. Tuesday we saw the beauties of Inverness in winter—skating and curling. To-day we sent a telegram to the fort, and gave all our good wishes to Dr. Wakefield for the boys and he was delighted.

Will Visit Inverness. Mrs. Tasker Cook leaves by the Mongolian next trip on a visit to friends in the Old Country. She will include Inverness in her travels, as one of her sons is with the Newfoundland contingent at Fort George.

Mrs. Sclater encloses the following clipping from a London paper which speaks for itself, and shows that our boys are not forgotten.

A sub-committee of the Dominions War Contingents Advisory Committee has been formed, with Lord Islington as chairman, to do all that is possible for the comfort and interests generally of the Newfoundland Contingent.

This sub-committee wish it to be known that they are ready to receive contributions in kind (Cardigans, shirts, socks, mufflers, woollen gloves—thumb and index finger separate—under-shirts and drawers, cholera belts, handkerchiefs, housewives, cigarettes, pipes and tobacco, and chocolate), or in money, to enable them to carry out their work.

Lady Louisa Fielding has lent a room in her house, 48, Grosvenor-gardens, for the storage of such articles, and when the Contingent proceeds on active service, it is proposed to work through the agency of the Field Force Fund. Gifts of clothes, etc., should be sent to 48, Grosvenor-gardens, marked "Newfoundland War Contingent." Contributions in money should be sent to the secretary, Mr. H. F. Batterbee, Colonial Office, Downing-street, S.W.; or direct to the Bank of Montreal, Waterloo-place, S.W., to the credit of the account of the Newfoundland War Contingent Committee.

## FEILDANS WIN FIRST LEAGUE HOCKEY MATCH

Score was 9 to 7 at the End of a Fast, Exciting Contest—Victorias Were Beaten in the Last Four Minutes

The first game of the Hockey League was played off last night between the Feildians and Victorias, the former winning by 9 to 7. A large number of spectators were present and all thoroughly enjoyed the game. At 7.30 Referee Pinent called the men on the ice and as they appeared they were all well received. The most of them were new and they gave a good account of themselves, as the game was fast from start to finish; the teams are about equal.

The Line-Up.

Feildians	Goal	Victorias
N. Hunt	C. Hunt	McLeod
F. Rendell	point	E. Sinnott
F. Jerrett	c. point	E. Munn
A. White	rover	R. Lilly
T. Payne	centre	W. Logn
E. Jerrett	right	E. Ford
L. Munn	left	

Referee—Mr. E. S. Pinent. Time Keepers—J. A. Carmichael, C. Ellis. Penalty—J. Vinnicombe. Goal Judges—N. Vinnicombe, A. Cleary.

Penalties—1st Half. White, Munn, E. Jerrett (Feildians) 2 minutes each.

Second Half. McLeod, Sinnott, Munn (Victorias), Munn (Feildians), 2 minutes each.

Victoria's Score. The game opened with a vim, the Feildians defending the western goal, and as soon as the rubber was set going every man settled down to work. The disc was travelling around for almost eighteen minutes when Lilly captured it and with a dash called on N. Hunt who failed to save, thus scoring first honors for his team. White now of the Feildians was now asked to retire for two minutes for foul play.

Lilly again seeing a good chance to score made off with the puck and in less than four minutes had notched up No. 2 for his team. The Feildians now began to wake up and F. Jerrett with a good dash at lightning speed called on Cecil Hunt and sent him a "hot one" which was too swift for Cecil and landed No. 1 for the Feildians.

Great Excitement. Excitement now ran high, the Feildians being bent on scoring to equalize, and Payne and Jerrett were seen in splendid play and kept the Vics goal in danger for a time until Ford captured the disc and broke way up the rink, passed nicely to Lilly, who, when about six feet from the goal, shot and scored No. 3 for the Vics. Score 3-1.

The rubber was sent back to the Feildian goal and Nix Hunt was asked to save several times which he did splendidly. Munn of the Feildians tried his luck and taking the puck to the Vics goal shot a beauty, landing No. 2 for the Feildians. Good Combination. The Feildians now worked well together, good combination being the order; and Payne landed in the equalizer. Score 3-3. Two minutes after the disc being centred Payne took control of it and beat Hunt the 4th time. The Vics seeing it was their turn to score worked the disc west and it was not long before Lilly landed the equalizer. Munn and Lilly now began to work well together and made several speedy runs, but were checked each time until Munn tried a shot from mid-rink, beating Hunt for the 5th time. Munn, of the Feildians, now had to join the spectators and watch the game for two minutes for fouling. Half time was drawing near and Rendell worked hard to find the equalizer and was rewarded, but not before Jerrett was asked to sit on the fence for two minutes. Half-time sounded, leaving both teams with 5 goals each.

Second Half. The second half opened, the Feildians with two men in the witness box. Play started with a dash and it was hard to say who would win out. The puck was not long wandering about when Jerrett captured it and in a short while had No. 6, landed safely home. Play now became a little rough. Lilly was asked to retire for two minutes for fouling White. Munn and White then started and were not long before No. 7 was added. A few minutes afterwards Munn of the Vics tried his luck and notched up No. 6 for his team. McLeod was seen to be putting in some bad play and was asked if he would have a spell for two minutes. While he was off Lilly tried his luck to even things up and was not long before he found it, making both sides equal with 7 goals.

Looked Like a Play-Off. The game was now drawing near and it looked as if a play-off would be needed, but the men became rattled and Sinnott was asked to leave the ice shortly followed by E. Munn, who was soon followed by his brother Lionel. The game now began to slacken off as the men were beat out, play having been so fast. The game was interrupted Lilly receiving a blow in the face and had to retire to the dressing room. The Feildians now put on a spurt and in less than four minutes had two more goals to their credit, Payne doing the useful each time. The bell sounded for full time leaving the Feildians with two goals extra.

Notes on the Game. The Hunts in goal saved well. Munn of the Vics is a star player, and was much admired in last night's game. Payne and Jerrett for the Feildians did excellent work while White was seen in his usual good form. A little more practise is needed to make improvements.

Thursday's Match. The second hockey match will not be played till Thursday owing to the different concerts for charitable purposes to-morrow. The line-up will likely be:

Terra Nova's	goal	St. Bon's
Burnham	point	S. Walsh
Tobin	power	Higgins
Stick	cover	Callahan
Mews	rover	Crawford
Trappnell	centre	R. Stick
R. Stick	left	Quinn
Gear	right
