W. J. Webster has sent a number of teams from here to work at the grading between Lyn and Brockville. His fencing gang will soon have this His fencing gang will soon have this part of the work done. Mr. Webster is one of the most pushing contractors who has had anything to do with the

The lifting gang have just reached the station to-day with their work.
They report the road in a passable condition to Farmersville. We expect the "lost engine" to appear again next

LYN.

SATURDAY, June 16 .- Our village was startled by the peculiar shrill whistle of the B. & W. engine on its return after an absence of several months. The contractors for the munity who believe that Sabbath desecration never prospers, does not help the credit of the company It is noped that the new life of the enterprise may be permanent.

Rev. M. Richardson has returned W. Pow

the conference require his removal.
Weddings, and rumors of weddings, are interesting our gossips of late.
Time will tell how true their prognos-

Should this present weather continue the strawherry crop in this section would be immense.

The copious showers followed by fine warm weather has brought a smile on the faces of our farmers which is reflected on the faces of others depending on the farm. Speaking of smiles it is worth a trip from Farmers ville (via B. & W. R. B.) to see friend Yates smile, a la Alvin Joslin, since he has been operated on by Billy, the barber.

Byron W. Loverin

ELBE MILLS.

**Mosdar, June 18.—Week on the new school house is progressing rapidly. The mesons will be through this week. A large party of our young folks pienicked at Charleston, recently. The transcribes in this visinity have resumed their usual appearance since the heavy rain of Friday last.

**A train and large gang of men have been at work here on the railroad during the past week. Dirt is being hauled from the banks to level the road bed.

MALLORYTOWN.

**Mosdar, June 18.—The lacrosses match between the Juniors of this place, and the Juniors, of Eacott, was won by the former, they taking three straits.

**A farmers' son from the west was down not long ago making his sweetheart a three or four days' visit. on bis Indy-love asking him why he always seemed uneasy about affairs at home, He told her his services were required in looking after his father's sheep. At this she said "I cannot lety you go soon. They can look after the rest of your father's akeep who like, but leads the father's akeep who like, but leads the father's heep who like, but leads look after this one."

**Horsebacking is the favorite sport, or rather the craze.

TOLEDO.

**SATYRDAY, June 16.—Mrs. Grey, of the lactors, and diver his father's heep who like, but leads of the milk cann. Tris had the conditions of the proper apparatus, we were unable to the season of the proper apparatus, we were unable to any season of the same assessed to folke the same assessed to John Millond (J. R. Tris had the season of the same assessed to John Millond (J. R. Tris had the season of the same assessed for part lot 4, block of Farmersville, for \$200, assessment of F. Pierce, owner, to be signed with the delivering him the begand of the same assessed for part lot 4, block of Marine and the season of the same assesse

The following petitions and accounts were presented:

Petition of N. O'Shes, asking for opening to full width of road across lot 25, con. 6.

Bills of W. G. Parish, for lumber

The Court then adjourned, and the

bers organized as a COUNCIL MEETING.

we would advise some of the youths of the place to keep their hands in their pockets and avoid having jammed fingers and thumbs.

WESTPORT.

SATURDAY, June 16.—Crops are progressing favorably in this district since the recent refreshing showers.

The Presbyterian Sunday School graves for the pressysterian for the sunday school graves from outside districts and, this season the pressysterian Sunday School graves from St. Regist. The Council then adjourned until Saturday, July 7th, at 1 p.m.

J. H. Blackburn, Clerk.

the recent refreshing showers.

The Presbyterian Sunday School excursion to Jones' Falls on the 8th inst. was largely attended, and a very enjoyable time was spent.

Mr. Geo. W. Gardiner purposes bringing bernies from St. Regis. The facilities for shipping bernies from Lyn are excellent, as the G. T. R. station is only about a mile from the village, while those wishing to ship per the C. P. R. have only five miles to draw to the Brockville station.

Below is a list of all the growers whose names we could obtain, togethwhere was a square. each curely by overlapping, and you will then have a piece three yards square.

Acres Make a solution of twelve ounces of Make a solution of twelve ounces of lime and five ounces of slum in three railons of water, and roak the cotte. in it for a day. Rinso it in warrarainwater and stretche it in the sun lodry. It will then be water proof.

Having reached your camping ort place, cut two poles eight feet long, each with a fork at one end. Since the other reads in the ground about a

each with a fork at one end. Show the other ends in the ground about a foot and that the earth well to keep thom, first the earth well to keep thom, first in place. These pokarshould be arout eight feet apart. Now cut another pole about nine feet long and put it en top of the other two resting in the forks. Cut two more poles ten feet long for the sides, of your frame, resting one end of each role on the cross pole and the other. pole on the cross pole and the other end on the ground. Stretch the can-vas over the frame and tack it to the vas over the frame and tack H to dis-polea, You can make the sides of your tent weather proof with the boughs of cedar and other trees. This is the simplest and least ex-pensive tent you can have, and it will

answer your purposes fully. The in-terior of the tent, however, would be a little more roomy and comfortable if you would put up a second frame in the rear similar to that in front, say two feet high, and stretch the canyage over that and thence to the ground.
Select sloping ground to put your
tent on, so that if it rains the water will readily run off; and also dig outlet leading down the incline. A the front of the tent will be open-unless you choose to provide enough unless you choose to provide enough
unless you choose it—you had bett.

place it with the front towards the
north or northwest, for storms, if you
have any, will probably come from the
south or the southwest.

The rade but described—for, it is
little else—will no doubt seem a firms
shelter to those who have never occupied
to one, but for perfect rest and the sounds.
