The New Vice-Principal.

Miss Eliza P. Wells, who has accepted the appointment to the vice-principalship of Acadia Ladies' Seminary, is a daughter of Dr. Wells, formerly principal of Woodstock Institution and later for many years principal of the Canadian Baptist published at Toronto. Miss Wells was prepared for college at Woodstock, and took her arts course at McMaster University. Following her graduation she taught in a French school in Montreal, and then became one of the staff of Moulton College, Toronto. After two years service here Miss Wells was appointed to take charge of the English department at Mrs. Hazen's School, Penhryn, N. Y. During her long term of service at this school Miss Wells has found opportunity to spend summer sessions in study at Harvard and Oxford and considerable time in travel, beside fitting herself for advanced educational work by a course in education in the extension work of Columbia University.

By training and experience in institutions similar to Acadia Seminary, as well as by her own personal gifts and graces, Miss Wells is peculiarly fitted to discharge the duties of the responsible position she has accepted.

It is needless to add that Miss Wells comes most highly recommended by those who know her and her work. Her many friends in Wolfville will be pleased to greet her and to renew their acquaintance with her. She comes to us in a spirit of earnest endeavor and with the fullest sympathy with the needs and aspirations of girlhood.

Felt Like One Paralyzed

Mr. Alex. Ethier, Jr., Clarence Creek, Brunswick County, Ont., writes: "I am happy to be able to give a recommendation for Dr. Chase's Nerve Food, for this preparation has done me a great amount of good. My nervous system was run down to such an extent that I suffered a great deal from weakness of the nerves and sciatic rheumatism, and at times was like one paralyzed. I could not work, was unable to sleep and had no appetite. This condition lasted for six years, and in the meantime I had treatment from the best physicians and tried all kinds of medicine.

"Nothing seemed to build up my nerves until I made use of Dr. Chase's Nerve Food. After having used about \$12.00 worth of this medicine I feel like a new man. I can walk all right, do a great deal of work, have a good appetite, and what is even better, I can sleep well every night."

Dr. Chase's Nerve Food, 50 cents a box, 6 boxes for \$2.50, at all dealers or Edmondson, Bates & Co., Toronto.
