London, Nov. 18.—The prospects of a race for America's Cup next year or in 1901 are not bright. Sir Thomas Lipton's anxiety to 'lift' the Cup is tempered with a businessike design, ifrat of all, to ascertain the possibility of an English designer turning out a boat capable of competing with one of Herreshoff's creations.

The total areporter to-day that since his arrival here he had thoroughly gone into the descriptions must be paid in advance.

in 1900.

Race are not Bright.

There is no disguising the fact that Sir
Thomas is not only disappointed but surprised at the result of this year's race.

He has had several consultations with Captain Ben Parker and communications with Fife during the week, and his confidence in the British designers is not a little shaken. In fact, it may be assumed that no actual steps will be taken regarding another challenge until after the Mediterraneau regatta.

It is hoped that Rose's new cutter, Distant Shore, which G. E. Watson is build

It is hoped that Rose's new cutter, Distant Shore, which G. E. Watson is building and which will be launched on December 5, will prove to be a flyer. If this boat shows herself to be better than Shamrock, Sir Thomas will probably place the order for his next challenger with Watson.

Mrs. Wm. Young, Frome, Ont., says:

"One year ago our little boy had a sovere attack of inflammation of the lungs and croup, which left a bad wheeze in his chest.

"We were advised to use Dr. Wood's Norway Pine Syrup, which we did, and it cured him completely.
