CANADIAN NEWS-
PAPER DIRECTORY

McKim's 1915 Edition of Directory Now Issued

It is now nearly a quarter of a century since Mr. A. McKim, who established the first independent advertising agency in this country completed the rather ambitious task of publishing the first Directory of Canadian publications. The nine successive editions of this valuable work provide the most complete and detailed record available of the growth of Canadian periodicals.

The 1915 edition, of which we have just received a copy, shows that the great war has not seriously affected the newspapers of Canada. While the birth-rate of new publications has received a check, and the death-rate of the weak ones has perhaps increased a trifle, most of the leading papers, particularly the dailies, show very healthy increases in circulation. Three metropolitan dailies have reached or passed the hundred thousand mark.

A census of the papers listed and described in the 1915 Directory shows nearly 150 dailies, 7 tri-weeklies, 45 semi-weeklies, over 1065 weeklies, about 40 bi-weeklies or semi-monthlies, 3 bi-monthlies and 15 quarterlies—a total of over 1575 publications.

This means approximately one daily to every 10,000 families, and one weekly to every 1,500 families. From this one would infer that for a comparatively new country, Canada, is well-read.

A. McKim Limited report the usual demand for the Canadian News-paper Directory, which sells at \$2.00. Its red-banded, gold-stamped green cover has become a familiar sight on the desks of advertisers, publishers and business men everywhere who are interested in Canada.

IMPROVED SEED IN
IMPROVED DEMAND

Reports received relative to the demand for seed this season indicate that the orders generally have been for higher grades. All the seed merchants, without exception, agree in this. Several consider that this to a noticeable extent is a result of the recent patriotic and production campaign. Enquiries were made in many sections of the country and the responses received were all of the tenor, that greater care had evidently been taken in the selection of seed, and that, with

Word has been received from Bombardier Edwin Presley Lutes, 24th Battery, C. F. A., a Moncton boy, that he is in No. 9 Hospital, Havre, France, suffering from a dislocated shoulder, caused by a fall from his horse.

The body which was found in the St. John river at the Sugar Island boom on June 5th by employees of the St. John River Log Driving Company was positively identified Thursday afternoon by Aaron Green, of Fielding, Carleton County, as the remains of his son, Fred Green, who had been missing since early in May. The father believes his son was murdered.

fair weather, there was every prospect of improved growth and consequently of improved production. Professor Zavitz, of the Ontario Agricultural College, was written to, but he being in California, Assistant Professor W. J. Squirrell replied showing that there had been a marked increase in the demand for Spring Wheat, Barley, Field Peas, Spring Rye, Buckwheat, Husking Corn, Sugar Beets for feed purposes, Swedish Turnips, Carrots, Fodder and Silage Corn, Sorghum, Alfalfa and Field Beans, Oats, Japanese Beans, Millet and Clover also showed improvement.

One of the leading merchants in his testimony as to the results attained says that he has gone into the matter extensively and has found an increase in Red Clover amounting to 300 per cent. Show Timothy No. 1 and No. 2 both a gain. In Alsike No. 1 there is a gain of 10 per cent. and of No. 2 over No. 3 of 40 per cent. He adds: "We have noticed that the demand for the better grades exist very generally throughout Western Ontario and that the demand for the lower grades is more in Eastern Ontario and Quebec." In testifying to an increased demand for garden and field root seeds, the principal of another prominent house says: "There is no doubt but that the agitation and educational work which has been done has had a beneficial effect by causing the planter to give more thought to the use of high grade stocks." A third leading dealer writes: "We are of opinion that your advertising campaign has been very beneficial. At least we have found it so. Not only has the farming business been greater, but the demand has been generally for the finest selection of seed stocks." A firm with ramifications all over the English-speaking world says: "We notice a marked tendency for better seed in the requirements of our farmer customers this year. Especially when ordering Timothy, Alsike and Alfalfa they insist on government grade No. 1." Other firms both east and west, testify that the demand for the best seed has been higher than in any previous year.

A large number of citizens were favored with an interesting selection at the Union Depot Friday evening while waiting the arrival of the Governor-General's special. Sydney Jones, the forty-year-old son of the leader of the L. P. Band, rendered "God Save the King" on the baritone. The selection was a splendid rendition of the National Anthem, and the efforts of the boy were loudly applauded. He gives every promise of being a splendid musician.—Moncton Times.

After Suffering Almost Two Years, "Fruit-a-tives" Brought Relief.

MR. WHITMAN
882 St. Valier St., Montreal.

"In 1912, I was taken suddenly ill with Acute Stomach Trouble and dropped in the street. I was treated by several physicians for nearly two years. I was in constant misery from my stomach and my weight dropped down from 225 pounds to 160 pounds. Several of my friends advised me to try 'Fruit-a-tives' and I did so. That was eight months ago. I began to improve almost with the first dose. No other medicine I ever used acted so pleasantly and quickly as 'Fruit-a-tives', and by using it I recovered from the distressing Stomach Trouble, and all pain and Constipation and misery were cured. I completely recovered by the use of 'Fruit-a-tives' and now I weigh 208 pounds. I cannot praise 'Fruit-a-tives' enough."

PRINTING

FINE PRINTING IS AN ART

Do you know good printing?

Do you like good printing?

Do you know that it always pays to have the BETTER kind?

Perhaps you have been used to the one class of printing and know no other.

If this is so, it is time for you to have a look around and investigate and see what's what.

Do you know you do not have to go any farther away than Newcastle to obtain the BETTER class of printing.

Perhaps you have not given it a thought, but a great deal depends on the stock used in order to get a BETTER job. Investigate this.

Last, but not the least, do you know that The Advocate Job Department turns out only this BETTER class of work. If you will read on a little further, we will tell you how and why.

1st—We cater to that class of people who use only the best stock, and who know what BETTER printing is.

2nd—In order to give these customers the class of work they want, we have to keep in stock only the best grades of material. We do not handle cheap lines.

3rd—In order, again, to be able to turn out that BETTER class of printing, we employ only experienced and competent printers, who keep abreast of the times and watch the styles.

4th—What is as important as the above is equipment. If The Advocate Job Department was not fitted out as it is, with the most modern machinery and the very latest in type faces, it could not handle the fast growing trade, that has developed in the past year, of turning out that BETTER class of printing. Only the best inks are used, because this is necessary when high grade stock is used.

Now, Mr. Business Man, if you will read the above over carefully, see how your supply stands, then get in touch with this office, we feel sure you will become a customer. Give up that old-fangled notion that first class printing comes only from the large city printing offices. As a matter of fact, the reverse is the case, and prices are invariably lower.

REMEMBER THAT WE DO
ALL KINDS OF PRINTING

For commercial use, we have superior grades of Letter, Note and Bill Head Stock, at prices and quality to suit any business and any purse. Our prices range from \$2.50 to \$4.00 per thousand for Letter Heads, and from \$2.50 to \$3.25 per thousand for Envelopes. Our Envelopes are the same material as our papers, and therefore match. We are always pleased to submit samples of stock, and prices, on application.

More Business
IS WHAT WE WANT

You want the work—we want to do it for you. We have just the grade of paper you want, so why not let us get together in a co-operative way and make a strong, pull for increased business—more business than usual.
