ROBIN HOOD FLOUR

IS DIFFERENT

IT HAS ROUSED THE CURIOSITY OF THE WHOLE WEST

"Do you really think" one housewife will say to another "that this new flour can be better than the flour we are using?" Madam, there is no doubt about it. But there is just one way you can be convinced. You must use it yourself. Our claims will not satisfy you, but we back up our claims in such a way that you will lose nothing by trying Robin Hood. Your grocer will tell you about our guarantee which gives you back your money if you are not satisfied.

Better be Sure than Sorry

Mothers can only be sure of absolute freshness and cleanliness by both mixing and making cakes and pastry at home. Wholesome and reliable scones, cakes and pastry can be made at home easily, and at little cost with

"PAISLEY FLOUR,"

The Sure Raising Powder.

The making is easy and quick, and the method is simply to mix dry one part of "Paisley Flour" to 8 parts ordinary flour and proceed as usual. Ask your grocer for "Paisley Flour," and remember always that "PAISLEY FLOUR" is only made by Brown & Polton, the makers of the best Corn Flour.

GENTLEMEN.—Our shelves are now replete with the choicest goods that the West of England can produce. All parts of Old England are famed for the excellence of their goods, but more especially the West, and, as regards that undecipherable "thing" called style we know how, and can give full expression to that elusive quality. We please both young and old. You can have your choice of either English or American cut. Personal supervision given each order. Give us a trial and we have a customer. Thirty years experience in the tailoring line.
