WE beg to call attention to Mr Horsman'sadvertisement about Ploughs The Plough referred to is having a large demand, so great has it become that three car loads have been forwarded to Mr. Horsman to supply the farmers in this neighborhood this Spring. All pronounce them the best general purpose Plough made; as a guarantee of this we need only say that they are manufactured at the celebrated Agricultural Works of F. W. Glen, Oshawa. The price it will be observed will be kept at \$13, the old figure, until the 1st of April, when it will be raised to \$15 in consequence of the advance in Iron and Steel. We should therefore gecommend our farmer friends to loose no time in procuring one at Mr. John Horsman's, Hardware Merchant of this town.
