

WALKING FOR A WAGER.—The other day a hotel keeper near Markham wagered fifty dollars against twenty-five with a laboring man that he could not carry three bushels of peas one and a quarter miles without making the slightest halt. At the time and place appointed, Mike, along with numerous spectators, appeared on the ground. The peas were soon on his back and off he started, never slackening his pace until he arrived at the winning post, as bright as a lark. The walk occupied a little over twenty minutes.

BREAKFAST.—Epps's Cocoa.—GRATEFUL AND COMFORTING.—"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills."—*Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labelled—"James Epps & Co., Homeopathic Chemists, London."

A MUSICAL MUTE.—An entertainment of a novel character is being given in some of our towns at present. It consists of musical performances and gymnastic feats by a deaf mute named D. H. Morgan. Though entirely deaf he plays with considerable skill on a number of instruments, including the violin, guitar, banjo and the mouth organ. In tuning, he uses a stick, one end of which he places on the instrument and the other in his teeth, the vibration of the sound being conveyed in some inexplicable manner to the brain.

A THING OF BEAUTY IS A JOY FOR EVER.—And such is a rich flowing head of hair. Reader, if you have this great gift of nature and it is not fading out use the Bearine it is the only safe and reliable dressing you can get. Every Druggist sells it.

Special Notices.

DR. WHEELER'S ELIXIR OF PHOSPHATES and Calisaya—After having used your Compound Elixir of Phosphates and Calisaya for over two years in my daily practice, I must give it my unqualified approbation. During a practice of over twenty years, I have used many scientifically prepared compounds, made to fulfil the same therapeutical indications as your Elixir, but none of them proved with me as valuable as yours. To the medical profession and the public, I would especially recommend it as the best remedy with which I am acquainted for the successful treatment of the large and constantly increasing class of cases of over-worked and nerve-exhausted women. Yours truly,
N. WATKINS DEEL, M.D.
