FIVE CHILDREN ILL WITH SCARLET FEVER

Askin Street Family's Troubles Increase—53 Cases Now in the City.

Three more cases of scarlet fever were unusually. The ministers required three hours in which to reach a final decision upon the plans to be presented to the who are in the contagious wards in Victoria with the contagious wards in the contagious wards in victoria with the contagious wards in the contag who are in the contagious wards in Victoria Hospital are in a very critical condition, and it is stated that they have a type of scarlet fever that is of the most malignant variety. In some instances there are several little ones in the hospital from one family. Another little child belonging to Mr. R. Giese, of Askin street, has developed the fever, and was taken to the hospital verterly. and was taken to the hospital yesterday. Mr. Giese has been particularly unfortunate, having lost a little girl with the fever yesterday morning, and he has four more children in the hospital now.

MAKE THE CONTRACTORS REPAIR THE PAVEMENT

King Street Roadway Is Again in the Limelight—What May Be Done.

The King street pavement is again in the limelight, and it is now up to the city to keep the pavement in repair, or May Be Placed Ready to Plug Breaks.

There is no disguising the fact that breakwater. If a patrol was established, when the water comes down, the residents of West London are very the first break could be detected, and the first break could be detected, and the first break could be detected, and the first break could be detected.

was kent back, and is still of City Treasurer Bell. The contractors can be compelled, so it is stated at the city hall, to keep the street in proper repair.

What constitutes keeping it in repair is hard to agree upon, but the board of works will have to decide that matter At the next meeting of the board

works the question will come up, and, i is stated, that the committee will recmmend that certain repairs be made to the street. At the present time it is a gravel road, but can be made fairly good with the expenditure of a couple of hundred delegate. It cannot be repaved until such a time debentures covering the street are

BRITAIN SOLD MORE

Increase of Forty-Five Millions for Seven Months in U.S. Imports From United Kingdom.

Washington, Feb. 26. - Imports and exports between the United States and foreign countries for the seven months ending with January, 1910, were largely in excess of the imports and exports at the corresponding period of the year before, according to detailed

of commemree and labor. From the United Kingdom the value of imports in the last seven months was \$156,640,299, as compared with \$111,287,676 in the seven months the year before.

Germany, \$101,201,238, against \$80,656,904. From France, \$84,377,518, \$58,203,066.

Exports to the United Kingdom for the last seven months were valued at of being limited as he is now. \$329,230,019.

To Germany, \$164,419,580 Canada, \$116,130,775. To France, \$87,460,132.

An increase everywhere except t the United Kingdom, which showed sight falling off.

A JOINT STOCK COMPANY TO PROVIDE FACTORY SITES AS A LONDON INDUCEMENT

Businesslike Suggestion Was Made at the Meeting of the Board of Trade-City Should Go After an Automobile Industry -London Must Do Something to Compete With Other Places.

The purchase of factory sites for the cially in view of the fact that Windsor bringing of industries to London was the cause of a long debate at the meeting of the board of trade last night, and several suggestions were made as to the best Mr. T. B. Escott suggested that a joint method of accomplishing the and in view.

eral suggestions were made as to the best method of accomplishing the end in view. Ex-Mayor Stevely thought the city should do something towards securing suitable sites. He said London was unjustly discriminated against in this regard. Last year the council had requested the Legislature to allow them to spend but the committee before whom their request came would scarcely allow the clause to be read. It was thrown out unceremoniously. He wanted to know the reason of this unfair treatment, espe
Mr. T. B. Escott suggested that a joint stock company be formed to purchase factory sites. The land could be purchased at comparatively low figure and could be leased to manufacturers for a long term of years. This company would not be bound by acts of legislatures, being independent, but they would, of course, work in harmony with the city council and the board of trade. These outlying sections could be brought into the city from time to time, and the city from time to time t

DOG-CATCHER WAS ARRESTED

"Ben" Blackstock Created a Row at Grand Opera House and Was Promptly "Bagged" by P. C. Noonan-Magistrate Love Is Puzzled to Know What to Do With Man Appointed by the City to Catch Dogs.

Ben Blackstock, the city dog-catcher, officer, "and you won't get any more was arrested by P. C. Thomas Noonan dogs tonight. Come with me."

Blackstock was taken to the police his way into the theatre, and was rudely

last night in the lobby of the Grand station shouting loudly, and spent the Opera House, as he was trying to force night in the cells.

Magistrate Puzzled. ostling many ladies and others who were oming out at the close of the perform-you," the magistrate told Blackstock. Josting many ladies and others who were coming out at the close of the performance.

"Benny" has been steadily "cutting into the grape" since he was appointed lord high chaser and pursuer of the festive canine.

Gay Old Dog-Catcher.

Blackstock was very much intoxicated, and came up to the entrance to the

Blackstock was very much intexicated, and came up to the entrance to the theatre, and commenced yelling:

"I'm Blackstock, the dog-catcher. If there are any dogs in here I'm going to have them, and no one can stop me."

"There are a lot of people in this theatre tonight who should be muzzled," to all the eloquent Benjamin. "I want the dogs that are in this theatre, and no person can stop me."

"I to be helped. I am going to bail you to appear for sentence on both charges two weeks from today."

Chief Williams' Opinion.

"I think Blackstock is unquestionably crazy, and should be put in the asylum," chief Williams told The Advertiser. "He is not a fit man to be at large."

It is alleged that Blackstock made the statement last night that he did not require police protection as he had a six-shooter in his pocket and was able to look after himself.
