We don't ask you to encourage home industry,—we ask you to see the quality of goods we manufacture and get our quotations. Goods manufactured by us are considered High-Grade in the leading cities of Canada. Foreign woods imported direct from the south.

**MAIL ORDERS**  
We solicit out of town orders, which receive our personal attention. The length of time taken to fill orders is governed very largely by how busy we are in the department of our factory in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is important to place orders as far ahead as possible. Orders are filled by us in the rotation in which they are received, and customers can always depend on our doing everything in reason to give prompt despatch.

## FERGUSON BROS

You men who love outdoors ought to know our caps. There's so many kinds of weather when a hat doesn't belong—and a snug fitting, warm and good looking cap is just exactly the thing.

If you have thought that there wasn't any such thing as style to a cap—guess again!

There's style and "class" in every Eastern Brand Cap. You certainly ought to see one—and when you see it, and try it on, you'll buy it.

## BASEBALL NOTES AND JOTTINGS

### Great Pitchers Battle on Monday Evening Between Slipp and Shirley

Great was the disappointment of the fans when it was known that no foreign game would be played last Friday afternoon, and the attendance was rather small in the evening when Mechanics and Vics brought off a splendid game, ending in victory for the Mechanics 10-4. The Vics seem to have struck a bad patch these last few appearances, but Duggan lent a decided touch of color to an otherwise dull evening by appearing in part uniform of four different clubs, even his socks not being on speaking terms with each other. Notwithstanding this handicap however, Chip caught a good game.

Monday evening's game between I.C.R. and Mechanics was a hummer, Slipp pitching well, receiving poor support from Paterson who was off his game. Shirley heaved great ball, fanning ten men. Lutz got the glad hand on going to bat, and Ingram felt sore at being a second late for Clyde's fly. Only two safe hits were got in the game, Cady punching one to centre, off Shirley, and Mersereau first man up in the second innings, walloped the first one Slipp gave him to the centre field fence for two bags. In this second innings with bases full and two out, Lavoie fanned after knocking out a foul drive over third base line. The Mechanics could do nothing with Shirley and were usually retired one too three.

The attendance on Wednesday was rather small, the stand being occupied by a few faithful rain or shine fans and three of the gentler sex. The attraction of the Scotch dancer at the opera house doubtless drawing many to the bald-headed row.

The I.C.R. got it raw from the gentlemanly ump, and roasted from the rooters around third base, when

## COUNCIL MEETING TUESDAY EVENING

### New Gas Producer is at Length Ordered and More Street Lights

The Town Council met on Tuesday evening His Worship Mayor Andrew presiding. There were present Councillors White, Quinn, Ferguson, Miller, Ellsworth, Pinak and Alexander.

Minutes of previous meeting were read and confirmed.

Communication read from Mrs. E. Christopher asking reduction in assessment and communication from John Parker Sr. for refund of poll tax were both referred to Assessment and Appeals Committee.

A petition was received from residents in Lawrence Street for extension of water and sewerage privileges. After discussion was referred to W.&S. Committee.

The following reports recommending payment of accounts were received and adopted: Councillor Alexander, Water and Sewerage \$33.91, Finance, Councillor Miller \$570.98, Electric Light, Councillor White, \$226.94, Police and License, Councillor White, \$48.20, Fire Protection, Coun. Ferguson, \$70.06.

Councillor Ellsworth from Assessment and Appeals Committee recommended that the assessment of Mr. P. M. Shannon be reduced \$1000. Report received and adopted.

Report from Police and License Committee recommended licences for livery stables in accordance with the by-laws to N. W. Levesque and John Morrissey.

In a further report Councillor White from the special committee re gas producer recommended that the offer of the Canadian Allys Chalmers Ltd. be accepted for the installation of a gas producer as per

## FIRE AT RICHARDS MILL ON MONDAY

### Blaze in Lumber Piles at the Upper Mill Destroys Quantity of Boards

On Monday afternoon an alarm of fire was sent in from Richard's upper mill about two miles below town, and a detachment of the Fire Brigade responded with the fire engine.

On the arrival of the firemen the blaze had a good hold in two piles of lumber, but aided by the mill hands with bucket brigade and their own hose the fire was kept from spreading. It is figured that there would be roughly about 100,000 feet of boards in the piles valued at \$1,500 which is fully covered by insurance.

The adjusters are now at work on the loss. The fire is supposed to have originated from a spark either from the chimney or the refuse burner.

specification for the sum of \$5000, this to include all requirements. Councillor Pinault asked regarding the correspondence and thought that all letters should go through the town clerk. He thought the manager of the department had too much latitude but knowing the necessity of having the producer moved the adoption of the report which was received and adopted. Councillor White in a report from the Electric Light Dept. recommended that the following lights be placed on streets:

**ARC LIGHTS**  
2 Ramsay, 1 corner of Water & Cedar, 1 Andrew & Union, 1 Andrew & Wellington, 1 Central & Stanley, 1 Paterson & Stanley, 2 Rosebury, 1 Gerrard & O'Leary, 1 I. N. R. Crossing Gerrard, 1 George & Gerrard, 1 Gerrard between Sugarloaf & Cromwell 13.

## CUP RESOLVED FOR SHOOTING

### H.C. Montgomery Presents Trophy to be Shot For on Labor Day

Following the splendid showing of the North Shore riflemen at the meeting just closed in Sussex, Mr. H. C. Montgomery has presented to the Restigouche Rifle Association a handsome silver cup which will be shot for on Labor Day September 1st at the local ranges. This competition of which fuller details will appear next week, will be open to riflemen from Restigouche, Gloucester, and Bonaventure Counties, and should do much to encourage shooting in this district. Mr. Montgomery is to be commended for his kindness in providing this handsome trophy which will no doubt be keenly contested for on Monday week.

A silver medal presented by Mr. P. W. Hamilton of Charlo will also be shot for on that day, handicap match, confined to members of the Restigouche Association. The final arrangements for the matches have not yet been made but full details will appear in our next issue. Any information will be supplied by applying to Captain John White
