attempt your life, and was just in time."

"Generous man, you have saved my life, and was just in time."

"Generous man, you have saved my life, and was just in time."

"For this night's service, good Bragants, you shall be well rewarded. My father's gratitude will be unbounded. You must accompany me to site palace. And through the clear mocalight skimmed the gondola, nor did it step fill they arrived at the white water-steirs that led up to the palace of Valdois. Mercedes father's home. From that night Braganta was installed as Signor Valdois palace, whose gratitude for delivering his daughter from death was great. So the remainder of the dwarf's days were happy and long in the palace of Valdois."

Rupture radically cured, also was used to the death of the dwarf's days were happy and long in the palace of Valdois.

"This is early for a light night like this.
Why, you're not atraid?" and the lady laughs.
The gondola, passing through a dark, long arch under one of the paraces, comes to a sudden stop, and the gondolier's white, bleod-ampared face fleats on the canal waters, a knife just then being driven into his heart and throat by a strange, dark man, who, a moment after, leaps into the gondols.

"Don't cry out!" he says, savagely, "or I'll drive this daggar into your heart."

"Ruffiant" oried Senora Vaidois, "what want you here!"
