AND BLOOD POISONING. ANOTHER TRUMPH FOR DR. MCCULLY. ANOTHER TRUMPH FOR DR. McGULLY.

Two years have rolled by and Mrs. Lundy is in perfect health. She can be seen at 70 Richmondstreet, east, Toronto, and can tell, and will be happy to tell, what Dr. McCully did for her, and is doing for suffering humanity. Wicked medical treatment brought her to the gates of death. One side of her groin had died and an opening was nearly enten through the lower edge of the abdomen; it was 5½ inches long, 2½ inches wide, and 1½ inches deep. Dr. McCully removed the diseased and dying parts, cleaned out the sore, grafted over five hundred pieces of skin on the surface, and presto, it healed up and she is living and well. Reader, this is the most wonderful cure we ever performed. Go and see this lady, or write her if you are not in the city. She was a dying cripple! She is a sound, rosy cheeked woman.

Our field is chronic diseases.
