ONCE MORE READY

The NEW AUTOMATIC TRUSS NOW READY FOR ADJUSTING

One and the same Truss for light and bad cases.

A marvel of simplicity. While the body expands through coughing, motion of legs, etc., this new truss (patented by me) enters deeper into the aperture, automatically, making an escape impossible where other trusses will allow escaping.

This is my own invention; the fruit of my own brains.

It is not a copy of an American firm's truss, which failed to secure patents in Canada, and is now selling there as "our own invention."

The "Automatic Truss" is within reach of everybody, and no reputable person should go without it. All that is needed is the opportunity.

Headquarters for Abdominal Supporters. Such goods as I can show you were never before shown in Canada. Specially prepared people afflicted with Umbilical Hernia should not fail to see them or write for particulars.

RHEUMATISM

It is a well-known fact that medical science has utterly failed to afford relief in rheumatic cases. It is the only known force or power that cannot be removed by any medical treatment, and any doctor who would try to accomplish this by any kind of drugs is practicing a dangerous form of charlatanry. Properly treated, these diseases

GRATEFUL-COMFORTING

EPSS'S COCOA

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the time-proven principle of well-selected Cocoa, Mr. EPSS has provided our breakfast tables with a delicately flavored beverage which adds pleasure to the morning meal. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strength enough is attained to enable a man to resist every tendency to disease. Hundreds of subtle poisons are floating around in our veins ready to seize every opportunity to annoy. Whenever there is a weak point, we may easily succumb to their attack and lose our health and happiness by neglecting to give it prompt and efficient aid. This is especially true of the young. It is for this reason that Mr. EPSS'S COCOA is so highly recommended by the medical profession. It is a most valuable food and a most refreshing beverage. It is sold only in packages of Cocoa, labeled thus: JAMES EPSS & CO., Homeopathic Chemists, London, England."
