Why it was Organized and Its Objects

We have been requested by the Bridgetown Branch of the G. W. V. A. to publish the following letters:

Veterans & Comrades—
The Great War Veterans' Association was organized to forward your interests and the interests of the relatives and dependents of these comrades, ever present with us in spirit, but who sleep now in Flanders awaiting the grand reunion when we shall all have gone "West."

The same forces and influences with which the soldier survivor of earlier wars had to contend are now apparently about to confront us.

Indifference as to the fate or prosperity of the man who was ready to lay down his life for his Country was after other wars only too early apparent—the same thing is likely to happen in respect to the survivor of the greatest of all wars.

Our association, if united, — if strong — if it includes in its membership all returned soldiers, will make a repetition of history in this regard absolutely impossible.

For this reason I ask all returned soldiers to become members of the Great War Veterans' Association.

It is your duty. If you refrain you weaken us and our great cause — if you join with us you strengthen us and weaken the forces of those who selfishly oppose your interests.

Secondly, the Great War Veterans' Association stands for and works for and will always stand and work for advanced citizenship and the improvement and progress of our country.

We will attain our goal the more quickly if we all unite and work together.

The country needs your young blood, your vitality and your broad outlook and tolerant mind, in its development.

It is the duty of every returned man in Nova Scotia and in all Canada, who has not yet associated himself with us, to do so at once, because the two great reasons alone which I have mentioned demand and require the assistance and co-operation of ALL those sincere and courageous men, who as citizens respond to their Country's call, and who now as citizens of vision wide and far and of earnest purpose must continue to strive for the good of that same Country.

Comrades, these things can be accomplished only by the union of all of you who have this common cause at heart.

There cannot be one of you who would stand outside and believe that his great task, so bravely undertaken five years ago and so gloriously supported through the red years of war, is completed.

The event of a few weeks ago at Ottawa must convince you of the necessity of union and strength; if you desire to assist your comrades or dependents who need the same, the events of the days and weeks and months now passing by must convince you that your influence is required in your Country's behalf in the trying days of the present and those to come.

You cannot do these things individually.

The Great War Veterans' Association will carry on and with your help can and will be the bulwark of our nation.

(Signed) W. P. PURNEY,

Dominion President of the

Halifax, N. S., Dec. 1st, 1919.

To the Members of the 25th Canadian Infantry Battalion:

Irrespective of politics, religion, and vocation, all returned men should immediately become members of the Great War Veterans' Association. This organization stands for the relief of sorrowing widows and orphans; and also for those who have been maimed.

Furthermore, the Civil Shield demands respect throughout the whole Dominion and insures the members of loyalty, justice, and right thinking.

Sincerely yours,

LETTER FROM THE COUNTY CHAIRMAN

To the Editor of the MONITOR:
SIR:—I would like, through the medium of your paper, to thank on behalf of the County Committee and the Provincial Executive of our 1919 Victory Loan Organization, the canvassers whose energetically solicited subscriptions, and the people of the County who so generously responded to this appeal of our Dominion Government for another loan.

Annapolis County may well be proud of the result. Having as an objective \$350,000 which was considered so high by many as to inspire a doubt that this objective would be reached, the people answered so munificently that the enormous total of \$611,000 was realized. This total was reached without the aid of any large subscriptions from outside the County, and notwithstanding the fact that in 1917 \$300,000, and in 1918 \$630,000, was loaned the Dominion Government, besides generous contributions to the Red Cross, Salvation Army, Y. M. C. A., Knights of Columbus and other Charitable and Patriotic organizations during the war.

I congratulate the purchase of the bonds in having secured the best investment offered in Canada with regard to safety, interest return, and the ease with which the bonds can be converted into cash at par or possibly at a premium as has been the case in the previous loans.

Thanking you, Mr. Editor, for this opportunity, I remain,
Yours very truly,
S. W. W. PICKUP,
County Chairman Victory Loan Committee.

THERE IS ONLY ONE GENUINE ASPIRIN

Only Tablets with "Bayer Cross" are Aspirin—No others!

If you don't see the "Bayer Cross" on the tablets, refuse them—they are not Aspirin at all. Insist on genuine "Bayer Tablets of Aspirin" plainly stamped with the safety "Bayer Cross." Aspirin prescribed by physicians for nineteen years and proved safe by millions for Headache, Toothache, Rheumatism, Lumbago, Colds, Neuritis, and Pain generally. Handy tin boxes of 12 tablets—also larger "Bayer" packages. Made in Canada.

Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Mononuclearic acid of Salicylic acid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company, Ltd., will be stamped with their general trade mark, the "Bayer Cross."

EDDY'S WASHTUBS
of Indurated Fibreware

Are far better than old-style wooden or galvanized tubs. Yet they cost no more. They cannot leak, because they are made all in one piece, without seams or cracks or staves.

So light and easy to carry, yet so strong, they never become dented or battered. They do not absorb heat, therefore, the contents remain hot longer.

Eddy's Twin Weaver Washboards are also of Indurated Fibreware—no crevices, double-sided. Save time by the special clamp which loosens dirt easily without wear on the clothes.
