**SUCCESSFUL PIG FEEDING.**

MESSRS. THORLEY,  
Sirs,—I had your agent call on me a few days ago to see a pig that I had been feeding your Food. He wanted me to write to you and let you know the weight of this pig when killed. The pig weighed 307 lbs.; adding 30 lbs., the weight of the lard, tongue, etc., makes the entire weight of the pig 337 lbs. The age of this pig was eight months. Now, if you want to use this for your Food as an advertisement, you can use it. Now, I will tell you how I fed this pig. I commenced with one teaspoonful twice a day for two months, then three teaspoonfuls for two months, then one tablespoonful twice a day till I killed it. I think it the largest pig in Ontario for the age, 337 lbs. for eight months, and so much for your Horse and Cattle Food. Truly yours,  
J. D. DUNBAR.
