

In this case, Mr. Marshall, who is a prominent member of the Royal Templars of Temperance, had, after four years of constant treatment by the most eminent Canadian physicians, been pronounced incurable, and was paid the \$1,000 total disability claim allowed by the order in such cases. Some months after, Mr. Marshall began a course of treatment with Dr. Williams' Pink Pills, and after taking some 15 boxes was fully restored to health.

"I thought I would try them, and my wife sent for two boxes of the pills and I took them according to the directions given on the wrapper on each box. For the first few days the cold baths were pretty severe, as I was so very weak, but I continued to follow instructions as to taking the pills and treatment, and even before I had used up the two boxes of pills I began to feel beneficial effects from them. My pains were not so bad; I felt warmer; my head felt better; my food began to relish and agree with me; I could straighten up; the feeling began to come back into my limbs; I began to be able to get about on crutches; my eye came back as good as ever, and now, after the use of eight boxes of the pills—at a cost of only \$4.00—see! I can, with the help of a cane only, walk all about the house and yard, can saw wood, and on pleasant days I walk down town. My stomach trouble is gone, I have gained 10 pounds; I feel like a new man, and when the spring opens I expect to be able to renew my organ and piano agency. I cannot speak in too high terms of Dr. Williams' Pink Pills for Pale People, as I know they saved my life after all the doctors had given me up as incurable."

Other citizens of Galway, seeing the wonderful cure of Mr. Quant by the Pink Pills for Pale People, are using them. Frederick Sexton, a sufferer from rheumatism, said he was finding great benefit from their use, and Mr. Schultz, who had suffered from chronic dysentery for years, said he had taken two boxes of the pills and was already cured.

Mr. Quant had also tried Faith cure with experts of that treatment in Albany and Greenville, S.C., but with no beneficial results.

A number of the more prominent citizens of Galway, as Rev. C. E. Herbert, of the Presbyterian church; Prof. James E. Kelly, principal of the academy; John P. and Harvey Crouch, and Frank and Edward Willard, merchants, and many others to whom Mr. Quant and his miraculous cure by the use of Dr. Williams' Pink Pills 'or Pale People, are well known, were pleased to have the opportunity of bearing testimony to the high character of Mr. Quant, and of verifying the story of his recovery from the terrible affliction from which he had for so long a time been a sufferer.

Truly, the duty of the physician is not to save life, but to heal disease.

The remarkable result from the use of Dr. Williams' Pink Pills in the case of Mr. Quant, induced the reporter to make further enquiries concerning them, and he ascertained that they are not a patent medicine in the sense in which that term is generally used, but a highly scientific preparation, the result of years of study and careful experiment. They have no rival as a blood builder and nerve restorer, and have met with unparalleled success in the treatment of such diseases as paralysis, rheumatism, sciatica, St. Vitus' dance, palpitation of the heart, that tired feeling which affects so many,

# "August Flower"

For two years I suffered terribly with stomach trouble, and was for all that time under treatment by a physician. He finally, after trying everything, said stomach was about worn out, and that I would have to cease eating solid food for a time at least. I was so weak that I could not work. Finally on the recommendation of a friend who had used

It seemed to do me good at once. I gained in strength and flesh rapidly; my appetite became good, and I suffered no bad effects from what I ate. I feel now like a new man, and consider that August Flower has entirely cured me of Dyspepsia in its worst form. JAMES E. DEDERICK, Saugerties New York.

W. B. Utsey, St. George's, S. C., writes: I have used your August Flower for Dyspepsia and find it an excellent remedy. 12

and all diseases depending upon a watery condition of the blood or shattered nerves.

Dr. Williams' Pink Pills are also a specific for troubles peculiar to females, such as suppressions, irregularities, and all forms of weakness. They build up the blood and restore the glow of health to pale or sallow cheeks. In the case of men they effect a radical cure in all cases arising from mental worry, overwork, or excesses from whatever nature.

On further inquiry the writer found that these pills are manufactured by the Dr. Williams' Medicine Co., Brockville, Ont., and Morristown, N. Y., and are sold in boxes, (never in bulk by the hundred) at 50 cents a box, or six boxes for \$2.50, and may be had of all druggists or direct by mail from Dr. Williams' Medicine Co., from either addresses. The price at which these pills are sold make a course of treatment comparatively inexpensive as compared with other remedies, or medical treatment.
