

DEW DROPS

VOL. I.

TORONTO, JANUARY 2, 1897.

No. 1.

DEW DROPS.

As drops of dew from heaven fall,
And shed their sweetness over all,
So come thy precepts which declare
That God o'er all extends His care.

As beams of morn from heaven flow,
And evening's gentle breezes blow,
So come the truths thy leaves unfurl'd—
A flood of light upon the world.
