LATIN AND FRENCH

Are not difficult languages to learn when studied by the

De Brisay Analytical Methd.

In three months any intelligent student can acquire a sound knowledge of either of these languages. Hundreds of persons testify to this fact. Schools and convents are adopting our system. Every wide-awake teacher should look into it: none can afford to ignore it. Why should not every teacher acquire a knowledge of Latin or French when these languages are so easily mastered? Thorough courses by mail. Pronunciation by phonograph. Part I., (Latin or French), 25c. "Key to French Sounds," 35c. Pamphlet free.
