THE *Packard*

Incandescent **L**amp and **T**ransformer

Are Standards of Excellence

During the past three years of its manufacture in Canada, the Packard Lamp has been tried and **not** found wanting. By reason of our new factory and its better equipment, we are now in position to furnish a Lamp of any desired efficiency. We promise satisfaction in every instance. We are also now manufacturing the Packard Transformer, which, during the past two years, has won for itself such an enviable reputation in the States. It is unequalled in regulation, of excellent efficiency, and absolutely free of danger from lightning. Prices right. Catalogues and quotations upon application.
