

ving not to make any payment without obtaining clear and absolute satisfaction.—*Courier Français.*

Changes in the French cabinet continue to be spoken of. M. Humann, it is said, will resign—and the resignation of Messrs. Thiers and Duckatel is also spoken of as probable.

There can be no doubt that Mr. Barton was urgent for an immediate decision of the French Government relative to the demands he was authorised to make, and it is not unlikely that he may have obtained that decision in time to forward it by the first of November packet from Havre.

The late David Carnegie, in Haughs of Bervie, had two daughters whose fates are remarkably linked together. They are twins—born within a few minutes of one-another. As they grew up they were so much alike, that it required an intimate acquaintance to be able to distinguish them. If one of them happened to be indisposed, the other was sure to be soon affected in the same way. On the same night, and in company together, they commenced a courtship with two young men, whom they afterwards married. They were married at the same time, standing up together; and now, within a few days of each other, are become the happy mothers of two fine boys, who were baptized on Saturday last.—*Aberdeen Herald.*

UNITED STATES.

The Philadelphia Evening Star of yesterday, says, that an order has been received from the secretary of the navy, to open a naval rendezvous at that city; and that the order embraces the recruiting, not only of full seamen, but also of ordinary seamen and boys.

We can state, also, that great activity has prevailed for some little time in the U. S. Arsenal at Troy in preparing gun-carriages and other munitions of war for the fortification of this harbour.

THE MYSTERIOUS LADY performed lately at Buffalo. The audience immediately discovered that there was no mystery in the affair,—that her husband is a Ventriloquist and gave all the answers just as they were given to him, while the "mysterious" lady sat mum, merely moving her lips. They were flatly charged with the fraud by the Assembly, which so much disconcerted them, that they fled the city forthwith.
